CHAIRMAN'S WELCOME

A very warm welcome to all our members and contestants.

It's incredible how quickly the months fly past. Here we all are at the Highveld Belgian Shepherd Dog Club Championship show and IPO trial again. I'd like to thank each and every one of you for your support and for participating in these events. It is encouraging to see the interest that continues to be shown year on year by our members and non-members in the events held by the Club and it is this that ensures that the Club continues to exist and function year after year.

To all our IPO contestants, I wish you all the very best of luck and we all know how much effort and commitment goes into preparing for a trial. I trust that you will enjoy the day and that irrespective of whether you place or not, you leave the event feeling satisfied that you achieved what you set out to do.

I would like to welcome the helpers for the trial Mr Nick Vannerom from Belgium and our local helper Mr Christo Crous. Thank you gentleman for your willingness to participate at the trial and making yourselves available. I also need to extend my thanks to the track layers for their assistance in the trial and being willing to go "trodding" around in the fields laying tracks in order to challenge the dogs' ability to follow a track. A very warm welcome must go out to our IPO judge Mr Neil Perkins. Neil, thank you for your willingness to give up your time, get up so early on a weekend and judge our trial and always being available to judge for us whenever we request.

A very big thank you to our sponsors without whom the trial could not have taken place. Diktator Engineering who sponsored our International helper and covered many of the other costs of the trial. Thank you Chris for your generosity and commitment. Turf Pet Hyper for sponsoring the gifts and prizes. Thank you for your continual support of the Club and our events, your kindness is greatly appreciated and as always greatly valued. I must also make special mention of, and extend my sincere thanks, to Mrs Lisa Prestwood who has been a tremendous help in assisting with arranging the trial and providing all the equipment used in the trial. It's absolutely fantastic to see that we have members like Lisa who take such a keen interest in the Club and our special breed. Other persons that I'd like to mention and thank for their help with the events leading up today are Lourens XXXXXXXX, Alf SXXXXXX and Amy XXXXXXXX. These people gave up their time voluntarily to assist us during practice for the IPO trial. Your kindness and assistance is greatly appreciated.

Good luck to all our IPO contestants. I wish you the greatest success and remember to be relaxed, go out there, do your job but most of all have fun doing it.

Not to be ignored or forgotten are our contestants in the championship breed show. What began as seeming a rather small entry eventually came out really splendid. Fifty two entries at last count? Absolutely wonderful! Thank you all for your entries and support. It is very interesting (from my perspective at least) to see how the popularity of the varieties has shifted over time. Not too long ago, we had many entries from the Tervurens and Groenendaels. Our more established members may recall seeing Laekenois entries many years ago but for some time, in recent years, the variety never had any entries. Here we are in 2018 and we are seeing the Malinois being the largest number of entries and we again have Laekenois' entered. Irrespective of this it remains exciting to see all four varieties in the flesh here in South Africa and entered in our shows.

No show can be planned let alone hosted without prizes, funding and naturally the officials. To this point I'd like to extend a welcome and convey my thanks to all our sponsors and officials. For many years now, we have had the privilege to make use of the services of the same ring steward and scribe who always do a fantastic job for us so once again I'd like to thank Mr Stef Smits and Mrs Addy Smits for joining us at the show and being available to us.

Your presence is always a pleasure and your friendship truly treasured. I would also like to welcome our judge for the day Mr RXXXX de Taranto. Thank you for your willingness to attend and provide us with your expert critique. We hope that you spend a warm friendly and exciting day with us and thank you for giving up your time to be here. A huge thank you to Montego Pet Nutrition for their sponsorship once more. As many of you may know, Montego have been our sponsors for a number of years now and they are always extremely committed and generous toward the Club and dogdom in general. Thank you for your continued interest and support of Highveld Belgian Shepherd Dog Club. We are proud to be associated with such a well known brand. Each year, early in the morning a team of people come out and help setting up the facilities for the day and then after everyone else has gone home, they come out and remove it all. This team sometimes have to put up with rudeness and abruptness but nonetheless continue with their work so I'd like to say thank you to Bafana and his team from Goldfields for always being there bright and early for our events and assisting with setting everything up and taking it away again at the end of the day. Thank you guys for your effort we do really value your help.

Last but not least, a big thank you to the committee for their time and effort in arranging everything and getting it all set up. You are a great team and I know that I can always count on you to get the job done no matter what challenges are placed before you. Thank you for making yet another event possible which I have no doubt will be successful. You guys rock!

On a slightly different note, I'd like to thank our members for the feedback they provide us about the shows that we host. We all know how easy it is to criticize anyone or anything but often we do not take the time to think about offering constructive criticism or simply complain in solitude however we received some very honest, constructive and honest criticism from a few members after our last championship show for which we are grateful. To this point, we have taken note of the points raised and will continue to improve on them as far as possible. One of the matters raised was the taking of photos of the winners in each class. It is usually difficult trying to get the "right shot" and still keep the event moving along at the required pace so often no photo's are taken or they do not always show the winners off in the best possible pose. We have therefore set up a dedicated area for photos where winners are to have their photo's taken. This will be indicated when contestant leave the ring so please ensure that you have your photo taken immediately after your class so that no delays are experienced. I would also like to encourage everyone to remain at the show until after the awards are handed out at the end of the day. We would really appreciate your support for the winners and their handlers.

Finally, just one last matter and that it is to enjoy your day with us, have loads of fun and may the best dog win. Thank you to everyone for your participation, travel safe and we hope to see you all entered in next year's shows again.

Keith

ABOUT OUR BREED JUDGE RANDOLPH DE TARANTO

I grew up with Great Danes and Miniature Poodles and have owned a German Shepherd and a Border Collie, as well as campaigning a Bearded Collie.

We bought our first show Rough Collie, who was line bred to the old Rokeby lines, in 1987 and registered the Randglen Kennel name. Subsequently, we imported Sandiacre dogs from the U.K.

In 2006 we acquired our first Hungarian Puli (locally bred from English and American lines)

All our adult dogs have attained their Championship and several are also international champions.

I have been a Championship show judge since 1992 and am currently licenced by the Kennel Union of Southern Africa to judge Best in Show, Herding Group, Working Group, Toy Group, Hound Group and Child and Junior Handling. I am also judging the Terrier Group and Utility Groups at Open Shows, as well as Being an Assessor for the Herding, Working, Toy and Hound Groups.

I am at present the Chairman of the Western Gauteng Kennel Club, Vice Chairman of Orion Kennel Club (both all-breeds clubs), past Chairman (and Vice Chairman) of the Collie Club of South Africa and President of Toy Dog Breeders Association and Celtic Breeds Club and Chihuahua Club.

We currently have 7 dogs at home; 4 Rough Collies, 2 Pulik and a Beardie

NOTES FOR THE SHOW

Working Dog Class – As our breed is a working breed it is important to have a class that allows those dogs that have achieved working qualifications to be shown in a class of their own.

A Best Head award will be made as the head is very important in Belgian Shepherds. The Judge will select dogs to go forward while she is doing the class judging.

We will be allowed to attract the dogs attention from the outside of the ring (double handling). In order to get the dog to look its best it is preferable that the dog looks at someone in the distance rather than up at its handler standing next to him.

There are two specific times when outside attraction could be useful:

Firstly when the individual dog is standing and being evaluated by the Judge (Not when it is moving round the ring)

And secondly when all the dogs have been judged individually and are being judged for placing in their classes.

As the dogs are normally fond of their owners it may be better to have a second person handling the dog in the ring whilst its owner is on the outside of the ring attracting its attention.

Often a dog will look into the distance when he cannot see his owner and hiding behind an object or another person can have the same (or better) effect as calling the dog. Do not call the dog excessively if you notice that he is getting agitated.

Attraction from outside the ring may be in the form of calling the dogs name or whistling (noises such as gunshots, whip cracks, etc will not be allowed). Please have consideration for your other exhibitors and their dogs.
