

CAPE BULLMASTIFF CLUB

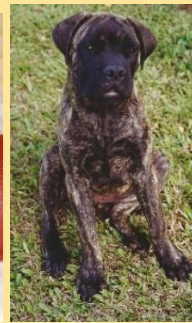

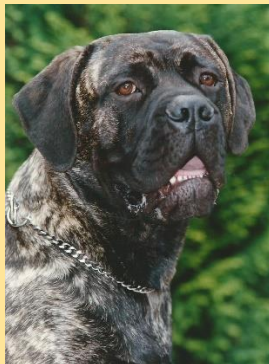

NEWSLETTER SEPTEMBER 2016

From the Chair: Brindle revival - this year has seen a trend from both the established fanciers to the newly initiated fanciers towards the Brindle coloured Bullmastiff. There is seemingly no other explanation except the brindle colour has/ is taking over from the most popular reds and fawns – for the moment anyway!

We are very fortunate to have three official colours to our breed standard which allows fanciers a choice.

Here are some photographs that have been sent in by the proud owners, some old some new. 😊😊😊
