From the Chair

To all our members,

THANK YOU, for a great 1st half of 2016, what an exciting year!! We had an excellent open show, with a super judge, Mr Franklin Van Der Spuy. What a fun filled day! With great dogs and last but not the least, a shout out to all our exhibitors, who gave us a super entry of 54 dogs. Without your support, this day would not have been possible!

Moving on to our Championship show, we had numerous challenges, being the first time the new elected committee flew solo! First of all, thank you to my committee, everyone worked hard and we had a successful show, but, yet again, the true stars was our members and exhibitors! We had a record entry of 105 Staffords!! Thank you to all who have made this possible.

Thank you also to our Judge, Ms Janet Higgens (Acrestaff) all the way from the UK. You have done a fantastic job Mam.

Another super highlight was the combined effort between the TVLSBTC, PSBTC & the NWSBTC hosting the "Night of the Stars" event. Thank you to the organising committee for this well executed and well deserved event. It was indeed a night of the Stars and a huge congratulations to all the winners!

Now, we look forward in anticipation to our 1ST SECOND CHAMPIONSHIP SHOW in August.

We believe that our judge, Mr. Louis Visagie's (Visstaff) opinion will benefit our breed and he will also be presenting us with a breed seminar after the show.

We encourage each and every one, new and seasoned in the breed, to please attend and support this seminar!

The NWSBTC of SA's committee is already hard at work to ensure that this will be a beneficial and profitable event for its members!

We want to take this opportunity to once again thank our main sponsor, Montego, as well as all our other sponsors, for there continuous and valued support. Without your support and sponsorships, our shows and events would not have been successful! We hope to continue this wonderful relationship well into the future.

We look forward to see you all in August!

Kind Regards

Johann Pretorius

Chairman

DOGS

Red

1ST BABY PUPPY: Bushvelders Big Gun of Roaringhearts

Attractive red youngster – nice head shape, dark eyes and good pigmentation. Shown in lovely condition. Lots of room for development for this boy yet.

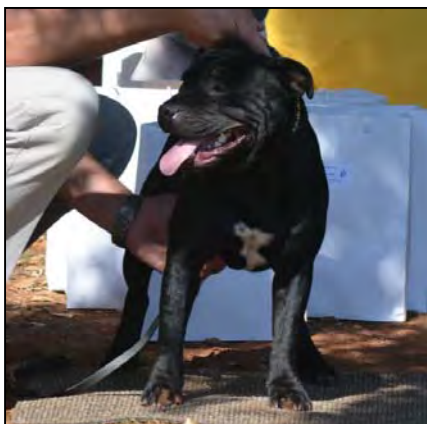

1ST MINOR PUPPY: Raminartus Saltan of Swat

Promising 7 month old youngster – good overall proportions, pleasing head shape, tight lips, good mouth/teeth and neat ears. Straight front, good rib and nicely angulated. Showed and moved well. One to watch for the future!

2ND MINOR PUPPY: Maupa Oliver

Smart red/white boy with nice head, good dentition/clean mouth, eyes dark enough for rich coat colour. Nice front and lay of shoulders. Good bend of stifle. Difficult to choose between 1 & 2; overall balance of 1 took it on this occasion.

3RD MINOR PUPPY: Kizus Shaddow

Another nice black brindle puppy – well shaped head, good bite and teeth, dark eyes. Good front, length of neck and just ribbing out. Nice rear angulation. Slight preference for the head on 2.

4TH MINOR PUPPY: Raminartus Say Hey Kid of Bezt

This well boned dark brindle lad has a lovely head shape, good dark eyes and correct teeth and bite along with many of the qualities of 3 but not quite as well developed.

1ST PUPPY: Eukleia Moyo Bastian **BEST PUPPY**

From the moment he came into the ring this stunning puppy held my eye. I loved everything about him. Cracking head with dark eyes, neat ears, tight mouth and good bite and dentition. Lovely reach of neck, well laid back muscular shoulders, short coupled, lovely topline held on the move and superb angulation as evidenced by his free, fluent movement. Well balanced, standard dog with plenty of substance. A pleasure to watch! Tough decision in the challenge as he was one of three main contenders for top honours!

2ND PUPPY: Eukleia Kumi Tyson

Lovely deep red and white standard dog of 10 months of age. Good head, dark eyes, black muzzle, clean mouth and correct dentition complimented by lovely rose ears. Pleasing outline, short coupled, good topline which he help on move and lovely tail carriage – pushed hard for first place! Suggest this is another puppy with a promising future.

3RD PUPPY: Eukleia Moyo Articforce

Another eye-catching and well balanced white and red puppy dog with so much about him. Lovely broad skull and head shape, neat ears, dark eyes and correct mouth. Straight front, lovely shoulders and spring of rib. Strong, well angulated and muscular hindquarters. Level topline, held on move. On another day the quality puppies in this class could all change places!

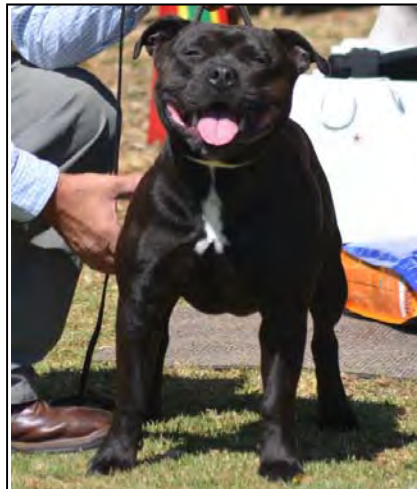

4TH PUPPY: Eukleia Kumi Mysterious

Striking red/white standard dog; good head shape, dark eyes and black mask, tidy ears. Well boned, straight, front, deep brisket, good rib cage and well muscled rear with good bend of stifle. Slightly heavier than 3 but really spoiled for choice in this class.

1ST JUNIOR: Larumo King Orin **BEST JUNIOR**

Standard black brindle dog with good head, correct dentition, clean mouth and good ears but cheek bumps not fully developed yet, which will make this lad's head even better. Well proportioned with sufficient bone; short coupled, level topline, good level of fitness, lovely tail carriage and tight feet.

2ND JUNIOR: Kelev Chasin' Rainbows

With lovely mahogany brindle colouring, this compact and well balanced young man has a great head, strong underjaw, dark expressive eyes, correct clean lipped mouth, good bite and neat ears. Lovely shoulder placement, straight front with good depth of brisket. Plenty of rib for heart and lungs and sharing most of the qualities of 1 but very slightly longer cast.

3RD JUNIOR: Valiantknight Diesel

Just pushing his 1st birthday, this red dog has a sculpted head, good mouth, neat ears and eyes dark enough to reflect coat colour. Straight front with good depth of brisket. Good neck length, sufficient rib, strong hindquarters and tail carriage. Loved his neat, tight feet and tail carriage but preferred the overall balance of 2.

4TH JUNIOR: Storm Blackstaff Rogue at Sharrazar (Imp Spain)

Compact brindle youngster – nice head, dark eyes, correct mouth/bite. Smaller overall than 1-3 but well proportioned body, well muscled and shown in lovely condition. Moved and showed well – just not quite enough of him for me.

1ST GRADUATE: Sharrazar Demon Walker

Standard M/Br dog of lovely balance. Good head shape, short muzzle, scissor bite and correct teeth. Straight at the front, sufficient brisket, short coupled, strong hindquarters and nice bend of stifle. Shown in good fit condition.

2ND GRADUATE: Baldwin Captain

Black brindle dog with good head shape, well placed dark eyes and neat ears giving an alert expression. Compact, with nicely proportioned body; would have liked a little more of him!

3RD GRADUATE: Houdini of Venttenaxg

Well muscled and fit red dog with sculpted head, dark eyes, good depth of underjaw. Straight on front, nicely laid back shoulders, shown in lovely fit condition.

1ST SA BRED: Stapphire Darke Tenacity

This dog took my eye from the start – lovely deep red with great head shape, lovely rose ears and eye colour commensurate with coat colour, giving that lovely Stafford expression. Good clean mouth and correct bite. Very fit, agile and well put together dog of with plenty of muscle and substance and level topline held on the move.

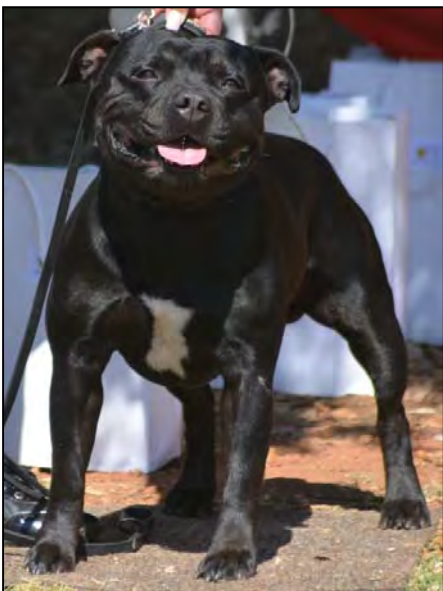

2ND SA BRED: Ch Delu Von Diezel

This black brindle dog had many, if not all, the attributes of 1. A good head, dark eyes, short muzzle, good underjaw and correct bite/teeth. Really tight feet, which I love and body of standard proportions. Pushed hard for first place. Just preferred above on the day.

3RD SA BRED: Bezt Impi's Rommel of Lovinza

Black brindle dog leaning towards topline proportions. Head shape not quite as strong as 2 but dentition and mouth correct. Well muscled dog with nice front and good ribcage. Strong hindquarters, good tail carriage and presented in good condition.

4TH SA BRED: Monetrouge Salvador Dali

Another slightly bigger built dog but still sporting a fit, well toned body and well angulated rear. Lovely dark eyes, scissor bite and correct teeth but lacking a little in the cheek muscle department. Good tail carriage – which makes such a difference to the overall outline of the dog.

1ST VETERAN: Bezt Thoma Hawk **BEST VETERAN**

Beautifully presented black brindle dog – still looking good enough to enter the open class at 7 years of age! Strong, chiselled head, dark eyes, neat ears and correct clean mouth with strong underjaw all contributing to that typical Stafford expression. Lovely front, broad chest, good depth of brisket, nice reach of neck, plenty of rib and well muscled hindquarters giving free movement around the ring. Brought out in super condition.

2ND VETERAN: Lewon Black Thundur of Kavuki

Black brindle dog with white flash. Good head still with good cheek muscles, dark eyes, tidy ears, clean mouth and bite/teeth correct. Nice angulation and moved well. Slightly heavier than 1 but fit for age and, again, well presented on the day.

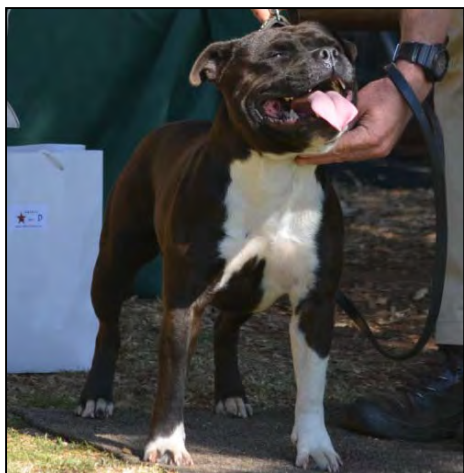

3RD VETERAN: Tenacious Brindle Bronx

Eight year old brindle and white dog with a good headshape giving a glimpse of the strength of head before it began to lose some of its former muscle. Nice straight front, well laid shoulders. Neat tight feet. Moved well.

1ST OPEN: Northpoints Man On A Mission **CC DOG**

Nothing exaggerated on this red lad who is a well balanced blend of bull and terrier. Strong, clean, well shaped head with good depth and breadth of skull. Neat rose ears, dark eyes, tight lipped mouth and correct dentition/scissor bite – each of these features contributing to a lovely alert expression. Clean front, good breadth of chest and depth of brisket. Nicely laid shoulders, plenty of rib for heart and lungs and short coupled with strong rear end. Moved freely with drive from strong hindquarters.

2ND OPEN: Rumox Ex Calibur of Ronaith **RCC DOG**

This very striking mahogany brindle dog with a broad white flash on his chest fought a great battle for CC status with 1. Great head with neat ears, dark eyes, short muzzle, broad skull and strong underjaw. Clean mouth with the scissor bite and dentition I hoped I would find. Superb body of lovely proportions, well boned and with plenty of substance. Moved around the ring with easy flowing rhythm – making my decision such a close one that I really couldn't say what it was that separated them!

3RD OPEN: Ch Eukleia Aurora Sparkle of Sivhana

Another eye catching, beautifully proportioned standard dog with classic head shape, dark eyes, neat ears, plenty of cheek muscle, short muzzle and good depth/breadth of skull. Super body – clean throughout – with plenty of substance. Short coupled and well muscled with good pump handle tail – moved with ease and grace. On another day 1, 2 and 3 could have changed places. A pleasure to have such good dogs to go over and could have taken any one of these home!

4TH OPEN: Agoe Shamat-Jadah

Good looking black brindle dog a little less compact than 3 but with clean front, nice shoulder placement, well shaped head, dark eyes and good mouth/teeth. Well muscled body. Moved and handled well.

1ST CHAMPION: Ch Raminartus Genesis Promise of Monetrouge
BEST IN SHOW

Lovely brindle dog, gleaming with health and very alert. Good head, eye colour in line with coat, good skull proportions, strong underjaw and good, clean mouth – all beautifully put together to make this fine animal. Plenty of substance and muscle definition – well deserving of BIS.

2ND CHAMPION: Ch Larumo Duke Master of Shakinat
RESERVE BEST IN SHOW

Slightly more terrier type than 1, this dog also has it all making it a very difficult task to choose one over the other! Still, a great position to be in for a judge! Lovely head, dark eyes and good, clean mouth with correct teeth. Well proportioned body, clean throughout with good muscle tone. Strong quarters and fluent movement.

3RD CHAMPION: Ch Bezt Bushi's Impi

Totally different type than 2, this black brindle lad has nice head shape, tidy ears and good mouth/dentition and nice skull proportions. Well bodied with ample substance, this dog was another that moved well around the ring to prove that he still has his Champion qualities.

4TH CHAMPION: Ch Marconn Furious Dakar

Strong, well defined head on this black brindle dog. Mouth and teeth correct, clean lipped, dark eyes, short muzzle. Compact, strong body – good brisket, ample rib, short coupled with strong hindquarters but would have liked just a little more length of leg.

Loved this little girl. Already looking the part, good bone, nice head shape for age, gorgeous dark eyes, tight lipped with nice depth of jaw. Good straight front, nice reach of neck and flow into well laid shoulders, ample body for stage of development – all topped with gorgeous brindle colouring. Feel she will do well in the future.

This red baby was a totally different type from 1 – much finer overall. Eye colour to reflect coat, clean/tight mouth, good lay of shoulder. Lost out to 1 on level of development and substance.

1ST MINOR PUPPY: Kizus I-Patchy

White and Red well boned bitch with plenty going for her. Already displaying a well shaped head, good mouth and correct dentition, clean tight lips. Tidy ears, dark eyes and head proportions looking good. Well ahead in terms of development.

Red/white bitch – standard girl, very attractive overall and with lovely body outline. Lovely head shape, tidy ears, eye colour ok, teeth and mouth correct. Head not quite so clean as 2.

4TH MINOR PUPPY: Lady Artistun

Nice red puppy bitch with well shaped head, dark eyes, correct mouth with good underjaw and clean lips. Nicely bodied, good depth of brisket and depth of brisket. Nice expression. Just a nat's whisker between 3 and 4.

1ST PUPPY: Kavuki Iz Gaby **RES BEST PUPPY**

Lovely deep red bitch with god head shape and correct proportion of muzzle to skull. Really dark eyes, good tight mouth and correct teeth; good depth of jaw. Short muzzle, good stop, neat ears. Plenty of substance and muscle on this lovely girl but still retains femininity. Expect great things in the future.

2ND PUPPY: Eukleia Kumi Bailey

Another quality youngster. Plenty of depth and breadth of head, dark eyes, teeth and mouth correct. Fits standard well, plenty of rib and in good condition – moved well. Just preferred overall balance of 1.

3RD PUPPY: Wandraski Skye Choriot

Delicious deep red colour with flashy white front, this lady had a beautiful head shape, darkest of eyes, clean lipped mouth and nice overall proportions. Preferred the ears and feet on 2.

4TH PUPPY: TasquaYasheetta

Red/White – another girl with a good sculpted head. Small, dark eyes, ears ok, mouth and teeth ok. Well put together body. Handled well. Difficult choice between 3 and 4.

1ST JUNIOR: Tengeenie Morning Star of Stapphire

Attractive youngster with clean head, sufficiently dark eye colour to take account of eye colour. Clean through showing off lovely shoulder placement, good depth of brisket and plenty of rib. Well muscled for age. Moved well. Look forward to hearing more of her!

2ND JUNIOR: Jakru Mischka

Well put together standard black brindle – again in lovely condition with gleaming coat. Nice head, dark eyes, and clean mouth with good dentition and depth of jaw. Overall proportions good; neat feet. 1 took it on movement for me.

On the day.

3RD JUNIOR: Valiantknight Nushka

Really liked this red and white bitch, whose white flash really accentuated her width and depth of chest and brisket and showed off the depth of her brisket. Well bodied – tight decision on the day.

4TH JUNIOR: Maupa Roxy Girl

This black brindle girl was a totally different type from 3 but still an attractive girl in her own right and gleaming with health! Good head, dark eye and clean, correct mouth giving a lovely expression. Slightly shorter in the leg than 1, changing overall balance slightly.

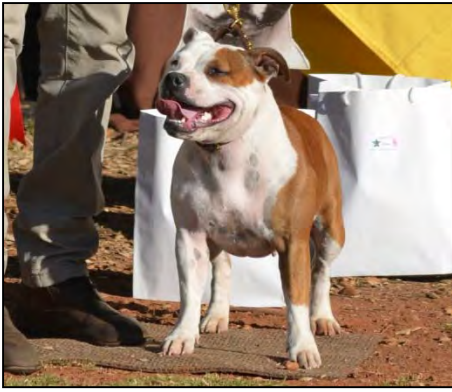

1ST GRADUATE: Maupa Tessanne

Beautiful, feminine head and expression resulting in lovely, alert expression. Correct head proportions, dark eyes, short muzzle and tight clean mouth. Dentition correct. Clean front, well laid back shoulders, plenty of brisket and sufficient heart room in well developed ribcage. Short coupled and well angulated.

2ND GRADUATE: Ch Cravonmark Ella-Mae of Monetronge

Lovely head on this standard black brindle/white bitch with attractive flash down her front. Well bodied, plenty of rib for heart and lungs, well let down on the hocks and good tail carriage. Ears on 1 just that little bit neater.

3RD GRADUATE: Ternacious Titian Mist of Jongezi

Striking white/red bitch – another with a good, well shaped head, dark eyes and good mouth/teeth giving that typical Stafford expression. Plenty of underjaw, short muzzle. A little more to the ‘bully’ side than 2.

1ST SA BRED: Sharrazar Knight Storm **BEST SA BRED**

Beautiful bitch – such balance and type in this brindle girl with the ‘star’ flash on her front. Dark eyes, clean mouth and lovely head proportions. Great reach of neck and shoulder placement, plenty of brisket and well developed ribcage. Level topline, short coupled with strong hindquarters and well let down on the hocks. Lovely!

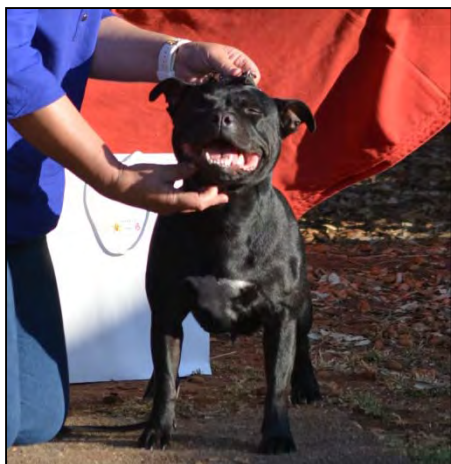

2ND SA BRED: Ronaith Tinted Ice

Well balanced white and red bitch – another girl with a really nice head shape, round/dark eyes, teeth and mouth OK. Plenty of substance, well ribbed, short coupled and strong rear end. Good tail carriage; moved and handled well. Preferred the overall outline of 1.

3RD SA BRED: Toroperro Jadore Rouge

Attractive red bitch – lovely expression as a result of dark eyes, clean mouth, short muzzle. Nice clean front, short coupled with strength in hindquarters and ‘pump handle’ tail held well. Not quite the muscle definition of 1.

4TH SA BRED: Baldwin Arabelle

Feminine head and expression on this lady attributed to dark eyes, clean mouth and headshape. Nice body shape, good shoulders, deep brisket and short bodied but preferred overall balance of 3.

1ST OPEN: Rosswar Cassia of Valiantknight CCB

Superb quality bitch with beautiful feminine head, neat ears, dark eyes, tidy ears, short muzzle, good depth of underjaw, deep stop, clean lipped mouth and correct teeth. Sound in every aspect of her well muscled frame. Level topline, held on the move. Covered the ground with grace and ease. Super tail carriage finished the picture!

2ND OPEN: Ch Rosswar Gisha Girl RCCB

Lovely to find it difficult to place two such lovely bitches – and this girl wasn't going to give in easily! Another stunning quality black brindle madam – superb head, neat rose ears, deepest of dark eyes, plenty of cheek muscle and another superb body. Very little to choose between these two – preferred the extra ½ inch on the leg on 1.

3RD OPEN: Raminartus Guzen Kona

Deep copper lass with plenty going for her in terms of sculpted headshape, darkest of eyes, well constructed body and well defined muscle. 2 Took it on head shape on the day.

4TH OPEN: Tutam Bronxton Ziva of Bronxton

Attractive red bitch with many of the attributes of 3 in terms of balance, construction, muscle development etc. Not quite the same strength of head as 3

1ST CHAMPION: Ch Staffgold Luna Selene of Sharrazar

NWSBTC MAY 2016 BEST IN SHOW

NWSBTC MAY 2016 BEST PUPPY IN SHOW

BEST VETERAN IN SHOW

BEST SA BRED IN SHOW

A warm ‘Hello’ to everyone that I met – and whose company I enjoyed so much – at ‘The Night of the Stars’ presentation. It was an absolute pleasure to be able to present the awards to such lovely Staffords and their owners and I was delighted to be invited to undertake this honour.

I thoroughly enjoyed judging at the North West Staffordshire Bull Terrier Club Championship show which, I understand, attracted a great entry of 105 dogs. The weather was good on the day – but judging your Staffords was a great privilege and I thank every exhibitor for giving me the opportunity to go over their dogs. I found the overall quality was high and there were some very good dogs to choose from.

I had a wonderful time during my time in South Africa, along with my friend Maureen. We were warmly welcomed into the homes of so many lovely people – including Riette and Frans Steyn, Joke Vermeulen, Yvonne Sinclair and Johann and Stefanie – and we were looked after as though we were royalty!

In addition I would like to thank Debi and her husband for inviting us into their home for supper on two or three occasions, to Irene Hatton for taking us into Durban and – particularly – for suggesting we visit Oshaka (what an experience that was!) along with Linda and her lovely daughter for introducing us to the Botanical Gardens and the fernicular railway that goes to the top of the sports stadium.

We had a wonderful time in your beautiful country – my favourite things were petting lion cubs and going round a wildlife park where we saw lions, wild dogs and cheetahs in the wild!! Most of all though, I have always loved elephants and during my stay in South Africa I was able to feed, handle, walk with, have a big sloppy kiss from and ride on an elephant! I did find it difficult when it came to getting on the elephant for the ride (after all, I do have two artificial knees, an artificial hip and I am quite arthritic) but when I said I didn’t think I would be able to manage to get on the elephant handlers made sure I achieved my ambition by helping me in the only way they knew how – by manhandling and pushing me until I was sitting on its back. I have never had so many hands on my bottom in my life!!!! It was worth it though!

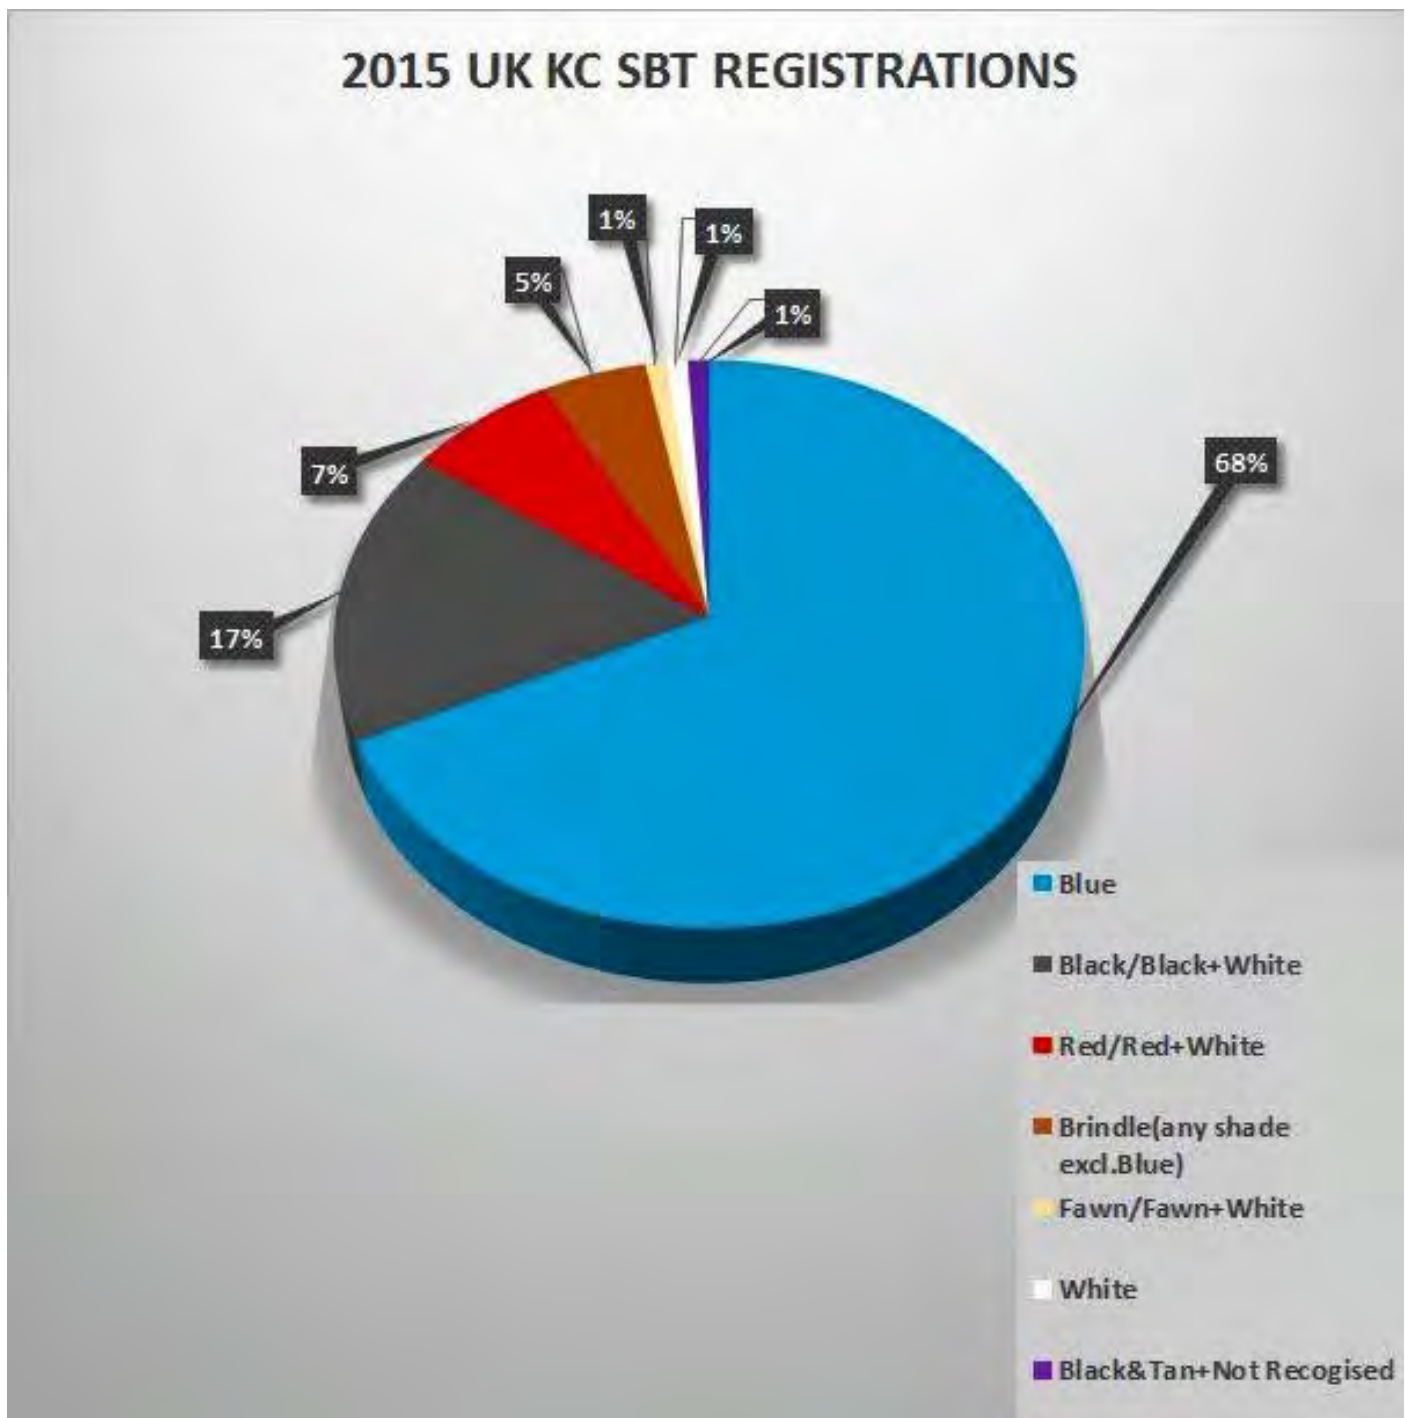

Again, thank you all so much and I hope I will get to return to your lovely country again one day in the not too distant future. In the meantime, best wishes to the NWSBTC of SA, to all its members, committee and officers and to all exhibitors who contributed to such a great stay in wonderful South Africa.

Very best wishes to all,

Janet

PLEASE DO NOT ALLOW THIS TO HAPPEN IN SA!!

Although Blue is a recognised colour in our Breed Standard, you will hardly ever see a TRUE Blue Stafford. Their coat should be a dark denimish colour, the eyes should be dark brown and the toe nails should be black. 90% of these so-called registered Blue Stafford's photos on the Internet have a light grey slate, washed out denim or ash colour, yellow eyes and bad pigmentation – Google Blue Staffordshire Bull Terrier and click on Image.

[Robert du Plooy](#) (Facebook comment) Blues were very rare in the early 70's in South Africa and were not intentionally bred to either. They now seem to have a serious problem in the UK? Staffordshire Bull Terriers is the ONLY breed with such a beautifully rich variety of colours ... why not keep our diversity?
