

## BREED APPENDIX REGISTER APPLICATION FORM GUIDELINE

Applicant(s) must be current **paid up members** of KUSA

Appendix Register dogs cannot bear a Kennel Name other than that of the breeder as a Prefix to their registered name.

All dogs must be Microchipped.

### **Breed Appendix Register 1 - Imported dogs.**

This register is for imported dogs of recognised breeds & provisionally recognised breeds.

For recognised and provisionally recognised breeds registered on an Appendix Register with a foreign registry with which KUSA has a reciprocity agreement.

For imported dogs with an incomplete 3 generation pedigree issued by a registry recognised by KUSA.

For recognised and provisionally recognised breeds coming from a country where there is no FCI Member or foreign Kennel Club with which KUSA has a reciprocity agreement. In such a case, the dog must be evaluated by 2 KUSA appointed Judges to confirm the dog is true to breed type. The signed Breed Evaluation Form must be attached to the application form.

Microchip & DNA Profile number mandatory.

The following Notations will be recorded on the Certificate of Registration:

“Progeny N/E for Breed Register”

“N/E Breed Champ Status”

Dogs registered on Breed APPENDIX Register 1 may be bred to a Primary Breed Registered dog or Breed Appendix 2 or 3 dog. Progeny will not be eligible for registration on the Primary Breed Register and will be registered on the Breed Appendix Register 2.

May enter Breed Classes at Championship and Non Championship KUSA Licensed shows but not eligible for Breed Champion status.

May compete in other KUSA Discipline Events unless the discipline’s regulations prohibit entry.

May enter FCI Breed Shows and compete for CACIB’s. May compete in other FCI Discipline Events unless the discipline’s regulations prohibit entry.

### **Breed Appendix Register 2.**

This register is for recognised breeds, bred in South Africa, with a complete or incomplete Pedigree issued by a registry that was not recognised by KUSA for which special dispensation is subsequently granted by FEDCO.

Dogs with Appendix / Development Register Pedigrees issued by Clubs with which KUSA has a recognition agreement. E.g. NAFTA; SASDA; SAFTC.

Progeny of Breed Appendix Register 1 (Imported) or 2 dogs bred with Primary Breed registered dogs. Progeny of Breed Appendix 2 dogs bred to another Breed Appendix 2 dog or Breed Appendix 3 dog. Progeny of dogs registered on the discontinued/ closed KUSA Development Register.

Biewer Terriers (Where ancestry do not all have KUSA registration numbers – which would qualify the dog to be registered on the Primary Breed Register)

Dog must be Microchipped. **DNA Profile number mandatory if wish to register any progeny (litters)**. (DNA profile not required for single dog application, unless a Biewer Terrier).

The following Notations will be recorded on the Certificate of Registration:

“Progeny N/E for Breed Register”

“N/E Breed Champ Status”

Breed Appendix Register 2 dogs may be bred to a Primary Breed dog, Breed Appendix Register 1, 2 or 3 dog. Progeny will remain on Breed Appendix 2 Register.

Progression to Primary Breed Register is not automatic. Only if apply and application is approved.

All requisite criteria must be met:-

Complete 3 generation- Parents; Grand Parents; Great Grand Parents- must have:-

A KUSA Primary Breed Registration number and / or

A KUSA Breed Appendix Register 1 & 2 registration number and / or

A FCI or other foreign **recognised** Kennel Club registration number (Breed or Appendix)

Where deemed necessary, KUSA reserves the right to also request that a Breed Evaluation be done prior to permission being granted for progeny to be registered on the Primary Breed Register.

May enter Breed Classes at Championship and Non Championship KUSA Licensed shows but not eligible for Breed Champion status.

May compete in other KUSA Discipline Events unless the discipline’s regulations prohibit entry.

May enter FCI Breed Shows and compete for CACIB’s. May compete in other FCI Discipline Events unless the discipline’s regulations prohibit entry.

### **Breed Appendix Register 3**

Dogs deemed as being pure bred with complete or incomplete pedigrees issued by a non-official (for commercial purposes) registry. Ancestry will be reflected on the Certificate of Registration as “**Not Verified**”.

Dogs without Pedigrees but deemed to be pure bred and true to breed type.

Dogs from a dissident foreign club from a country where there is a FCI Member or Registry with which KUSA has a reciprocity agreement. No ancestry will be recorded on the Certificate of Registration.

Dog must be microchipped. Must submit recent colour photographs (front and side view)

A KUSA imposed Breeding Restriction will be placed on the dog.

The KUSA imposed Breed Restriction may only be lifted if the **Dam and Sire of the litter are DNA profiled**. A KUSA imposed Breeding Restriction will be placed on each pup registered.

The following Notations will be recorded on the Certificate of Registration:

“Progeny N/E for Breed Register”

“Progeny NE for Reg. (KUSA Restrict.)”

“N/E Breed Champ Status”

Not Eligible – Export Pedigree.

Dogs registered on the Breed Appendix Register 3 may be bred to a Primary Breed dog, Appendix Register 1, 2 or 3 dog. Progeny will remain on the Breed Appendix Register 3. No automatic progression to Breed Appendix Register 2. Only eligible to apply after the fourth full (no missing) generation where the Parents; Grand Parents and Great Grand Parents have:

A KUSA Primary Breed Registration number and / or

A KUSA Breed Appendix Register 1, 2 or 3 registration number and / or

A FCI or other foreign **recognised** Kennel Club registration number (Breed or Appendix)

And the dog has been evaluated by 2 KUSA appointed Judges to confirm the dog is true to breed type. The dog must be over the age of 6 months at the time of the Breed Evaluation. The signed Breed Evaluation Form must be attached to the application form.

May only be shown at Breed Non-Championship Shows.

May compete in other KUSA Discipline Events unless the discipline's regulations prohibit entry  
FCI Shows / Events: Not eligible to enter or compete.
