- 4.2. The assigned Breed Specialist Assessor will be required to attend and observe the judging of at least one of the Learner Judge's judging appointments at Non-championship Shows and provide feedback on the Learner Judge's judging technique, ring management and judging decisions - encouraging and advising best practices where applicable.

- 4.3. The Learner Judge will be required to liaise with the assigned Breed Specialist Assessor on a suitable occasion to conduct the observation and assessment.

5. COURSE REQUIREMENTS

- 5.1. The Learner Judge is encouraged to consult with his/her assigned Breed Specialist Assessor for guidance and support, for the duration of the entire course.

 - 5.2.2. the Breed Hallmarks Assignment, whereafter a Learner Judge may be cleared for
 - 5.2.3. judging appointments with critiques.
 - 5.2.4. At any time during the course of study, the Learner Judge may:

 - 5.2.4.4. research and complete the Breed Assignment.
 - 5.2.5. Portfolio submission.
- 5.3. Assessment will be conducted for each module, either during, or after, completion.
- 5.4. Eligibility for the Paper 2 examination depends on the approval of the Portfolio, which serves as proof of successful completion of all modules.

6. MODULES

6.1. BREED TEST

The rationale for this module is to cultivate familiarity with the location and content of the relevant, current Breed Standard and to ensure a thorough understanding of the breed before entering the ring to judge it.

- 6.1.1. The Learner Judge completes the relevant Breed Test.
- 6.1.2. The JEC Assessment Officer will forward the Breed Test to the Learner Judge. Once completed, the Learner Judge will submit the Breed Test to the assigned Breed Specialist Assessor, who will be responsible for assessing it.
- 6.1.3. The test comprises questions on elements of the relevant Breed Standard. The Learner Judge must consult the current Breed Standard – available on the KUSA website – in order to answer the questions correctly. (www.kusa.co.za/index.php/documents/breed-standards).
- 6.1.4. The pass mark for the Breed Test is 100%.
- 6.1.5. If initially unsuccessful, the Learner Judge will have the opportunity to revise or redo the Breed Test until a successful pass mark is attained.
- 6.1.6. Once approved by the assigned Breed Specialist Assessor, the Breed Test must be stored in the Portfolio.
- 6.1.7. The assigned Breed Specialist Assessor will notify the JEC Assessment Officer of the successful completion of the Breed Test, who will, in turn, co-ordinate the Learner's credits and progress with JEC Admin Officer.
- 6.1.8. The Learner Judge will not be cleared to progress further until the compulsory Breed Test has been successfully completed.

6.2. BREED HALLMARKS ASSIGNMENT

The rationale for this module is to encourage the Learner Judge to identify the most important Breed Hallmarks and specific characteristics of the relevant breed in order to be completely attuned to them and to present these in a format most useful for the Learner Judge's individual style of learning and for practical use during judging.

- 6.2.1. The Learner Judge prepares a brief list of Breed Hallmarks and specific characteristics that succinctly encapsulate the essence of the relevant breed.
- 6.2.2. The Learner Judge is advised to consult his/her assigned Breed Specialist Assessor plus the support material available to guide the successful completion of this module.
- 6.2.3. The Learner Judge will be expected to prepare this assignment in a format of his/her own choice in order to facilitate his/her own particular learning style and practical application.
- 6.2.4. The Learner Judge submits the completed Breed Hallmarks Assignment to his/her assigned Breed Specialist Assessor for assessment.

- 6.2.5. If initially unsuccessful, the Learner Judge will have the opportunity to revise or redo the assignment until the appropriate Breed Hallmarks and specific characteristics have been successfully identified.
- 6.2.6. Once approved by the assigned Breed Specialist Assessor, the Breed Hallmarks Assignment must be stored in the Portfolio, but the Learner Judge is encouraged to use the list practically during future judging assignments.
- 6.2.7. The assigned Breed Specialist Assessor will notify the JEC Assessment Officer of the successful completion of the Breed Hallmarks Assignment, who will, in turn, co-ordinate the Learner's credits and progress with JEC Admin Officer.
- 6.2.8. The Learner Judge will not be cleared to progress further until the Breed Hallmarks Assignment has been successfully completed.

6.3. JUDGING APPOINTMENTS

The rationale for this module is to gain practical experience in the multi-skilled task of judging at Conformation Shows. The writing of brief critiques encourages the finding of sound reasons for judging decisions and promotes a culture of positive judging.

- 6.3.1. The Learner Judge may accept and will be cleared for judging appointments on the successful completion of the Breed Test and Breed Hallmarks Assignment (*See Regs. 6.1 and 6.2. above*). The acceptance of judging appointments when ineligible to do so on account of non-compliance with the Regulations shall be deemed as willful misrepresentation of judging qualifications and be subject to an appropriate penalty to be imposed by the Executive Committee.
- 6.3.2. The Learner Judge will need to judge:
 - 6.3.2.1. at least forty (40) exhibits of the relevant breed, on which brief critiques are written
 - 6.3.2.2. at a minimum of two (2) Non-championship Shows of which at least one (1) must be a Specialty Show, subject to Regulations 6.3.3 and 6.3.7 below.
- 6.3.3. At least one (1) of the judging appointments must be in a different geographical Centre from the one in which the Learner Judge is based, more if possible.
- 6.3.4. The Learner Judge must complete the standardised critique form during his/her judging, in which details and numbers of the exhibits judged are entered, as well as a brief critique on each exhibit judged.
- 6.3.5. On completion of the judging appointment, the Learner Judge must request the Show Secretary to endorse the critique forms. The Show Secretary will acknowledge having signed off on said critique forms in the normal Return of Show Levies form, which is required to be forwarded to the KUSA Office and the JEC Admin Officer as per normal procedure.
- 6.3.6. On receipt of the Return of Show Levies form from the Show Secretary, the KUSA Office, and JEC Admin Officer will record and update the Learner Judge's progress and grant clearance for future judging appointments. No clearance for future judging appointments shall be granted without this procedure having been completed correctly.
- 6.3.7. At least one (1) judging appointment must be observed by the assigned Breed Specialist Assessor (*see 4.3.*), which appointment may only take place in the metropolises within Gauteng, Western Cape, or KwaZulu-Natal.
- 6.3.8. The assigned Breed Specialist Assessor will provide verbal feedback and guidance on the Learner Judge's performance and endorse the completed critiques immediately on completion of the judging assignment.
- 6.3.9. The Learner Judge must store all his/her critiques in the Portfolio.
- 6.3.10. At one (1) of the assessed appointments, the Assessor will make a formative assessment of the Learner Judge's judging skills and ring management on the official Assessor's Judging Skills Assessment form and provide verbal feedback and guidance immediately on completion of the judging appointment.
 - 6.3.10.1. If the minimum approval rate is not achieved in all sections of the Assessor's Judging Skills Assessment, the Learner Judge will be required to undergo one or more subsequent Assessor's Judging Skills Assessments, in the underrated section only, until a successful rating is achieved.
- 6.3.11. The Learner Judge must make and forward a copy of the signed and completed Assessor's Judging Skills Assessment form to the JEC Support Officer. The original Judging Skills Assessment form, and any subsequent original Judging Skills Assessment form(s) (if applicable), must be stored in the Portfolio.
- 6.3.12. On completion of all requirements outlined in Reg. 6.3., the Learner Judge may continue to judge at Non-championship Shows in any geographical Centre without assessment or writing of critiques

until the Learner Judge feels ready to sit the examination.

6.4. **SHADOW JUDGING**

The rationale for this module is to grant the Learner Judge an opportunity to experience some of the typical challenges and situations within the ring at Championship Show level by closely observing the techniques and decisions of an experienced Judge, together with the opportunity to participate and practice with feedback and professional guidance.

- 6.4.1. The Learner Judge selects to shadow a Level 4 Licensed Judge in the relevant breed, and any size or coat varieties thereof, licensed at that level for at least 5 years or an International Judge, at a Specialist Championship Show.
- 6.4.2. The Learner Judge must apply in writing – at least 2 weeks before the event – to the Show Secretary to obtain permission from the Officiating Judge on the Learner Judge's behalf.
- 6.4.3. Learner Judges who fail to follow the procedure in Reg. 6.4.2. above may risk forfeiting credit for the relevant Shadow Judging session.
- 6.4.4. The Learner Judge must be present in good time before judging commences and must remain until the end of judging in order to participate in the Officiating Judge's feedback and guidance.
- 6.4.5. The Learner Judge accompanies and observes the Officiating Judge's technique as closely as possible in the ring without excessive intrusion. The Learner Judge is not permitted to spend the duration of the Shadow Judging session seated at the judge's table under the gazebo.
- 6.4.6. Following the award of Best of Breed (Best in Specialty Show) and Best Puppy of Breed (Best Puppy in Specialty Show) by the Officiating Judge, the Learner Judge will be granted an opportunity to examine and move the Best in Specialty Show and Best Puppy in Specialty Show exhibits. The Learner Judge makes notes on the conformation and movement of the exhibits. The Learner Judge may request to examine, move and make notes on any additional Best Class in Specialty Show (Best Junior, Best Veteran, Best Baby Puppy, etc. in Specialty Show) winners.
- 6.4.7. Interactive involvement between the Learner Judge and Officiating Judge is to be encouraged in terms of judging and observation techniques (particularly with regard to the meaningful placement of hands and methods of measuring), but no public or overheard criticism of particular exhibits will be permitted.
- 6.4.8. A feedback session between the Learner Judge and Officiating Judge is advised in private after the assignment.
- 6.4.9. Proof of all Shadow Judging Assignments must be endorsed by the Officiating Judge on the official form and stored in the Portfolio.
- 6.4.10. The Learner Judge completes a Learner's Shadow Judging Report following the Shadow Judging session, which must be stored in the Portfolio.

6.5. **BREED ASSIGNMENT**

The rationale for this module is to encourage the Learner Judge to involve himself/herself in an in-depth study of the relevant breed in order to gain better understanding of all aspects of the breed over and above the Breed Standard, then to summarise and present this collected information into written format.

- 6.5.1. The Learner Judge prepares three (3) or four (4) essays (dependent on the content of the relevant Breed Specialisation Course) of approximately 300 - 500 words (half to one A4 typed page) on each of the prescribed topics.
- 6.5.2. The Learner Judge must consult the relevant Breed Specialist Study Guide in the restricted area of the KUSA website, accessed through the Judges' Portal, for details on the Breed Assignment topics and advice on how to complete the assignment effectively.
- 6.5.3. The Learner Judge must research and write the required essays, which may be illustrated. Full bibliographic details must be provided (*See 3.3. above*). It is recommended that the Learner Judge allows sufficient time to devote his/her full attention to this Assignment.
- 6.5.4. It is recommended that the Learner Judge should approach the assigned Breed Specialist Assessor for guidance, but under no circumstances may the Breed Assignment be presented in any form other than the Learner Judge's own wording throughout.
- 6.5.5. Procedure for submission of Breed Assignment (Essay Topics) –
 - 6.5.5.1. The Learner Judge must submit the completed Assignment to the Breed Specialist Assessor.
 - 6.5.5.2. Upon completion of the assessment, the Breed Specialist Assessor will forward the Breed Assignment to the JEC Examination Officer for further assessment.
 - 6.5.5.3. The Breed Specialist Assessor and the JEC Examination Officer will concur on the assessment prior to returning the Breed Assignment to the Learner Judge.

- 6.5.5.4. Should the Breed Specialist Assessor and/or JEC Examination Officer not approve of the Breed Assignment, feedback will be given to the Learner Judge on the areas requiring attention.

6.6. RING STEWARDSHIP

The rationale for this module is to increase opportunity for the Learner Judge to become fully familiar with procedures and KUSA Regulations within the ring. Working in the breed ring being studied also allows considerable indirect learning in between ring stewarding duties.

- 6.6.1. The Learner Judge is required to attend and complete a Ring Stewardship Workshop or Seminar. Proof of attendance will be required if a Ring Stewardship Workshop or Seminar was attended prior to registering for the Breed Specialisation Course, in which case, credit will be given and compulsory attendance will not be necessary.
- 6.6.2. The Learner Judge is required to serve as a Ring Steward at a minimum of one (1) Non-championship Show and one (1) Championship Specialty Show in the breed ring the Learner Judge is studying.
- 6.6.2.1. The Learner Judge may complete the one (1) Non-championship Show Ring Stewardship appointment either at a Specialist Club Non-championship Show or the breed at a Group or All-breeds Non-championship Show.
- 6.6.2.2. The Learner Judge must complete the one (1) Championship Show Ring Stewardship appointment at a Specialist Club Championship Show.
- 6.6.3. The Ring Stewardship appointments may be completed in any order and not necessarily before the first judging appointment, although this is strongly advised. The Learner Judge may serve additional appointments as a Ring Steward in the breed ring he/she is studying or any other breed/Group, but these appointments will not be counted towards this module requirement.
- 6.6.4. Ring Stewardship experience gained before enrolment in the Breed Specialisation Course does not count towards this module requirement.
- 6.6.5. A Learner Judge may not serve a Ring Stewardship for the relevant breed prior to one month of judging that breed in the same provincial area.
- 6.6.6. Proof of Ring Stewardship must be endorsed by the Show Secretary and stored in the Portfolio.

6.7. LEARNING ENCOUNTERS

The rationale for this module is to open the Learner Judge to a number of different learning opportunities that may offer various views of, and insights into, the breed being studied in order to form a balanced and supplementary knowledge of the breed and also to inculcate a culture of life-long learning.

- 6.7.1. The Learner Judge must attend or participate in a minimum of four (4) Learning Encounters, of which:
- 6.7.1.1. one (1) JEC Breed Seminar/Workshop/Webinar on the relevant breed is compulsory, and
- 6.7.1.2. the balance of at least three (3) Learning Encounters may comprise any or all of the following:
- additional breed seminars/workshops/webinars
 - privately viewed breed presentations/webcasts
 - private breed discussions
 - study groups (e.g. several Learner Judges working a study together)
 - grooming workshops/demonstrations
 - Shadow Judging at Non-championship Shows (same procedure as Shadow Judging at Championship shows - refer to *Reg 6.4. above*)
- 6.7.2. The Learner Judge must record full details of place, presenter, date, references and proof of attendance on standardised forms to be stored in the Portfolio.
- 6.7.3. All Learning Encounters – whether private or public – must be summarised and analysed in sufficient detail and with satisfactory insight. Failure to meet sufficient analytical detail may result in a Learning Encounter not being credited.
- 6.7.4. Credit will be given for previously attended Seminars covering the breed being studied, providing proof of attendance is provided.

6.8. PORTFOLIO

- 6.8.1. The Learner Judge keeps a Portfolio to record accomplishment of all learning modules (*See Reg. 6.7*).
- 6.8.2. Once the Learner Judge has completed all the requirements of the course, the Portfolio is submitted to the JEC Support Officer for a summative assessment.

- 6.8.3. If found to have met all requirements satisfactorily, the JEC Support Officer will approve and sign off the Portfolio and notify the KUSA Office and JEC Admin Officer of such successful completion.
- 6.8.4. If certain requirements are incomplete or of insufficient standard, the JEC Support Officer will advise the Learner Judge and guide remedial procedures in order to facilitate successful completion.

7. EXAMINATION: BREED SPECIALISATION

- 7.1. On the successful completion of the whole level of study, the Learner Judge may apply to sit the examination, Breed Specialisation, without reference books or material, held usually in June or November.
- 7.2. The format of the examination will be multiple choice, labelling, long questions and an essay.
- 7.3. The content of the examination will cover:
 - 7.3.1. KUSA Regulations (40 marks)
 - 7.3.2. Canine Physiology (50 marks)
 - 7.3.3. Breed Standard & Assignment (*See 6.5. above*) (160 marks)
- 7.4. Paper 2 will carry 250 marks with a minimum pass requirement of 75%.
- 7.5. The duration of the examination shall be no longer than 3 hours.
- 7.6. The examination script will be marked by the JEC Examination Officer and moderated by at least one qualified JEC Moderator before results are made known.
- 7.7. The Examination Candidate will be notified by the KUSA Office of his/her success or failure in the examination and a percentage mark shall be given.
- 7.8. No correspondence will be entered into following the examination.
- 7.9. If the Examination Candidate is successful, he/she may register with the KUSA Office to begin studies for a new course of study, if desired.
- 7.10. If the Examination Candidate is unsuccessful, he/she may register to rewrite the examination at any future examination opportunity.
- 7.11. A re-marking facility will be available on payment of a fee, as determined by the KUSA Office.

8. FINAL ASSESSMENT

- 8.1. On the successful completion of the examination, the KUSA Office will acknowledge the Learner Judge as a Provisional Breed Specialist Judge until the final assessment is successfully completed.
- 8.2. A Provisional Breed Specialist Judge is permitted to judge at Non-championship or Qualifying Shows and may award Challenge Certificates (CCs) at Championship Shows in the breed for which he/she has passed the examination, subject to required time restrictions (*See Schedule 10, Reg. 3*).
- 8.3. The Provisional Breed Specialist Judge will be required to judge at least one (1) Championship Specialty Show appointment.
- 8.4. The JEC reserves the right to assign a Breed Specialist Assessor to observe the Provisional Judge's performance and provide feedback on a set of criteria that the Provisional Judge must meet in order to be approved as a Licensed Judge.
 - 8.4.1. If the assessment criteria are not met, the Provisional Breed Specialist Judge will need to fill a second Championship Show appointment with the same assessment criteria as above.
- 8.5. On the successful completion of the final assessment, the KUSA Office will acknowledge the Provisional Breed Specialist Judge as a Licensed Breed Specialist Judge.
