15	**ANY OTHER MATTERS**
15.1	**Handler and Dog's details appearing on Dogsport "Scribe Sheets" (Judge's Sheets)** MH reported that this matter had been raised by the KZN Provincial Council's Obedience Sub-committee Representative, who had pointed out that the details of the Handler and Dog appearing on the Judge's Sheets transgressed the Regulations. CPA explained that, for practical reasons, principally to avoid confusion when Handlers were competing in multiple forms of Dogsport on the day, it was preferable for Handlers and Dogs to be called by name, rather than by catalogue number, especially as some sports do not require the wearing of such for safety reasons. To remove the current non-disclosure of names on Judges' Sheets from the Regulations would require amendments to Schedule 03, as well as to various Schedules across the spectrum of Dogsport. She undertook to investigate the extent and impact of the amendments and to liaise with the respective National Sub-committees with a view to possibly drafting amendment proposals for tabling at Fedco 12-2026. **Carried forward to Exco 09-2026**
15.2	**Compliance with Regulations pertaining to the participation in Non-championship Shows:** MA raised the concern of Clubs, notably those based in Gauteng, neglecting to obtain the signatures of participants on the standard Declaration which appears on Show Entry Forms, i.e. the Declaration which indemnifies KUSA against liability for injuries to exhibitors or their dogs. GR confirmed that this was a matter of grave concern and suggested that, instead of exhibitors signing a "register" containing the Declaration (allegedly the practice at some Non-Championship Shows in Gauteng in the past), or completing the normal Show Entry Form on the day (which seems to be the custom at Shows in the Western Cape) that a truncated and simplified version of the current Show Entry Form be designed, specifically for entry at Non-championship Shows. Such a form should restrict the details to be provided by the exhibitor to the bare minimum and, of course, contain the Declaration to be signed by the exhibitor. MA undertook to investigate the design of such a simplified Entry Form which, once approved, might be considered for adding to Schedule 04.
