	4.2		Club Constitutions																												
		4.2.1	<p>New Club Constitutions and Amendments to Existing Constitutions (Fedco 12-2021 Item 8.2, Fedco 06-2022 Item 4.4.1, Fedco 12-2022 Item 4.2.1, Fedco 06-2024 Item 4.2.1, Fedco 12-2024 Item 4.2.1, Fedco 06-2025 Item 4.2.1, Fedco 12-2025 Item 4.2.1)</p> <p>From Fedco 12-2021: <i>Discussion ensued, with most contributors declaring Item 4.2.2 themselves in favour of KUSA dealing with future new Club Constitutions, or those requisite of amendment, under the two-pronged proposal outlined above, i.e. that, one, in order to prevent text contamination and drafting errors, existing Club Constitutions be replaced, rather than amendments being grafted onto them and, two, that Specimen Club Constitutions on the KUSA website be replaced by a simple Information Sheet for completion by Clubs seeking new Constitutions. On a proposal from GR, seconded by NdP, the binary procedure contemplated above was accepted, unanimously for introduction by the KUSA Office.</i></p> <p>From Fedco 06-2022: <i>In GR's view, the uptake of new Club Constitutions had been sporadic and he urged the Provincial Council Chairmen to convince their Clubs to "convert" to new-generation Constitutions in the interest of improved governance of KUSA-affiliated structures. Old Club Constitutions were no longer in sync with either the KUSA Constitution, or the Constitutions of the Provincial Councils, which created a serious problem. It was also imperative for KUSA-affiliated structures to at least show deference to the Animal Improvement Act and the Protection of Personal Information Act in their founding documents. After discussion, Fedco directed, unanimously that the KUSA Office should advise all affiliated Clubs, which had not already done so, of the importance of upgrading their Constitutions to the latest versions by completing and submitting the prescribed Information Sheet. The "conversion rate" should be carefully monitored by the KUSA Office over the next few months and a report on the status of all the Clubs be presented at Fedco 12-2022. Proposed NdP, seconded GR.</i></p> <p>Districts of Gauteng & Surrounds Provincial Council (DOGSPC)</p> <table border="0"> <thead> <tr> <th>Clubs that have Adopted POPIA-compliant Constitutions</th> <th>Adoption Date</th> </tr> </thead> <tbody> <tr> <td>Australian Shepherd Club of East Gauteng</td> <td>17/12/2024</td> </tr> <tr> <td>Centenary Terrier Club</td> <td>02/02/2025</td> </tr> <tr> <td>Eastern Districts Kennel Club</td> <td>19/09/2023</td> </tr> <tr> <td>German Shorthaired Pointer Gauteng Club</td> <td>28/08/2023</td> </tr> <tr> <td>Goldfields Kennel Club</td> <td>15/07/2025</td> </tr> <tr> <td>Goldfields Supporters Club of Southern Gauteng</td> <td>18/03/2026</td> </tr> <tr> <td>The Gundog Club</td> <td>20/08/2024</td> </tr> <tr> <td>Highveld Whippet Club</td> <td>18/03/2026</td> </tr> <tr> <td>Labrador Retriever Kennel Club</td> <td>26/01/2023</td> </tr> <tr> <td>Mpumalanga GSD Club</td> <td>22/04/2025</td> </tr> <tr> <td>Orion Kennel Club of Gauteng</td> <td>11/05/2024</td> </tr> <tr> <td>Pretoria Kennel Club</td> <td>19/09/2023</td> </tr> <tr> <td>Roodepoort & Districts Kennel Club</td> <td>21/11/2025</td> </tr> </tbody> </table>	Clubs that have Adopted POPIA-compliant Constitutions	Adoption Date	Australian Shepherd Club of East Gauteng	17/12/2024	Centenary Terrier Club	02/02/2025	Eastern Districts Kennel Club	19/09/2023	German Shorthaired Pointer Gauteng Club	28/08/2023	Goldfields Kennel Club	15/07/2025	Goldfields Supporters Club of Southern Gauteng	18/03/2026	The Gundog Club	20/08/2024	Highveld Whippet Club	18/03/2026	Labrador Retriever Kennel Club	26/01/2023	Mpumalanga GSD Club	22/04/2025	Orion Kennel Club of Gauteng	11/05/2024	Pretoria Kennel Club	19/09/2023	Roodepoort & Districts Kennel Club	21/11/2025

			<p>WORKING GROUP FCI American Akita</p> <p>For noting.</p>
		9.1.2	<p>Breed Standards to be amended to correct typographical and other errors:</p> <p>[Note: Amendments appear in red.]</p> <p>HERDING GROUP FCI Miniature American Shepherd - AKC [02-2017] Standard incorrectly records the copyright as that of the AKC and displays the AKC logo. The standard is in fact the FCI Provisional standard. This error was recently noted by the JEC and subsequently queried. It should be noted that the Standard has been displayed on the KUSA Website for a minimum of two years without any complaints being received. The Breed Standards Committee suggests that the following corrections be made:</p> <p>ORIGIN: United States of America. Patronage: Hungary</p> <p>The AKC logo needs to be replaced with the FCI logo, and the copyright attributed to the FCI.</p> <p>For noting.</p>

		11.3.1	<p>Proposed amendments to Schedule 02 App “C” – Addition of DNA-profiling and, ultimately, DNA Parentage Verification for Rottweilers</p> <p>Submitted by Rottweiler Breed Council.</p> <p>Proposal: The RBC has been working on the DNA requirements for the last 3-5 years, looking at various options to introduce compulsory DNA for Rottweilers. We have come up with a comprehensive proposal to implement current as well as future requirements systematically.</p> <p>The integrity of our pedigree database is paramount for the development of our breed; failing to preserve the integrity compromises the ability of our breeders to make informed breeding decisions and may negatively affect the quality and health of our breed. It also renders our pedigrees useless unless we can implement a level of governance.</p> <p>We already have a requirement for DNA for the importation of dogs and semen. We want to extend this to all SA dogs used for breeding. DNA samples must be collected by a registered vet and sent to an approved laboratory. A <i>DNA Certification Request Form</i> will be used by the collecting vet and submitted to the laboratory.</p> <p>Motivation: In discussions with Dr Cindy Harper, who heads the Veterinary Genetics Laboratory (VGL) at the Faculty of Veterinary Science at Onderstepoort, she confirmed that this proposal was in line with best practice in her opinion and in line with other animal improvement schemes.</p> <p>This proposal is part of a two-step implementation approach:</p> <p>Part 1 To be implemented, effective immediately, as soon as possible once Fedco’s approval has been given and will run for a period of two (2) years.</p> <p>During the first two (2) years, all breeding dogs, as well as dogs registered, will require a DNA Profile only. In order to implement a DNA Parentage Verification as the second step, we first need to focus our energy and attention to getting 95% of all breeding dogs, and those who will be breeding, DNA-profiled. Unless DNA Profiling is done, DNA Parentage Verification cannot be done.</p> <p>The process:</p>

Part 1 – DNA Profiles only (Period of 2 years)

Current Standard Pricing – Veterinary Genetics Laboratory (VGL)

COST OF TESTING:

TEST REQUIRED:	COST (Vat incl):
DNA Profile (per dog) 1 – 10 dogs submitted	R320-00
DNA Profile (per dog) >10 dogs submitted	R278-00
Parentage Verification (litter fee) *	R2190-00
Re-sample	R320-00

*Litter fee includes sire, dam and 6 or more pups. Add R300-00/sire for each additional sire.
Please note: Test results will only be made available after receipt of all relevant samples and full payment.
 A DNA certificate will be provided to the owner indicated above at no additional cost.

Negotiated Discount

The RBC has managed to negotiate a discounted rate for the Initial Part 1 period only, which is R250 per dog. After that period, the standard pricing will apply. This fee includes either the DNA Profile only or, where the parents have already been profiled, the Parentage Verification would also be included in this price.

To Note:

- It is proposed that all existing Profiles already done on Rottweilers up until the implementation date of Part 1 should be accepted.
- In order to avoid any conflict of interests as well as to manage pricing, it is proposed that we commence with VGL as the accepted laboratory. Other laboratories can be investigated and added at a later stage.
- This pricing excludes local vet costs and shipping of samples.

This process and pricing have already been confirmed with VGL.

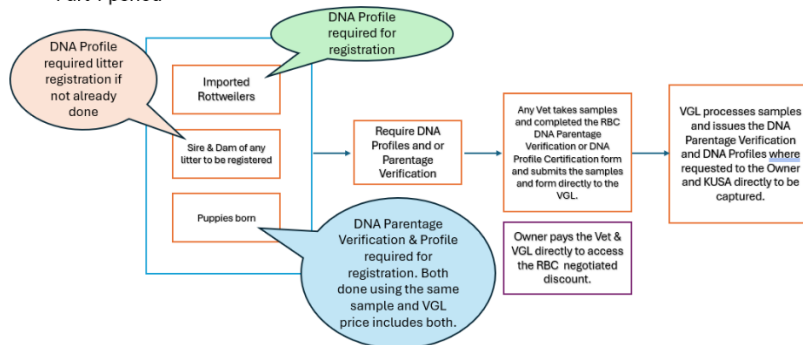

Part 2

After the 2-year period of DNA-profiling, Part 2 automatically becomes applicable in addition to Part 1.

At this point, all Rottweilers are already required to have a DNA Profile as indicated in Part 1. This continues in Part 2 with the addition of DNA Parentage Verification which will be an additional requirement for registration. This would be a simpler exercise as all breeding dogs should have been DNA-profiled by this stage, making Parentage Verification possible.

Process:

Part 2 – DNA Profiles and Parentage Verification for Puppies requiring registration post the 2 year Part 1 period

KUSA Office

- KUSA office to capture all DNA Profiles as received from VGL.
- All discrepancies with parentage to be sent to KUSA, RBC and owner directly.
- All microchip issues where new chips are inserted due to malfunction or changes to accompany the dog's DNA Profile.

Proposed amendments to Schedule 02 App "C" Regulation 6 by the insertion of a new Regulation 6.8:

The DNA sample may only be taken by a registered Veterinarian and be submitted together with the KUSA/Rottweiler Breed Council (RBC) DNA Certification Request Form to the Onderstepoort Veterinary Genetics Laboratory (OPVGL).**

For registration purposes, all litters whelped on or after 1 October 2028 will require DNA Parentage Verification for all puppies in the

			<p><u>litter. In the case of frozen imported semen, DNA Parentage Verification will be required using the donor Sire's semen for DNA-profiling purposes. 	12.2.2	<p>Proposed amendments to Schedule 03 – To permit limited and controlled outside attraction for Rottweilers at KUSA-licensed All-breeds Championship Shows</p> <p>Submitted by Rottweiler Breed Council.</p> <p>[Note: Also refer to corresponding proposal in Item 13.1.1.]</p> <p>Proposal: To allow limited and controlled outside attraction for Rottweilers at KUSA-licensed All-breeds Shows (including A2O and Winners Shows), excluding FCI C.A.C.I.B. Shows.</p> <p>[Note: Refer to corresponding proposed changes to Schedule 04 as per Item 13.1.1).</p> <p>Motivation: At present, outside attraction is not permitted at KUSA All-breeds Championship Shows. While this rule ensures consistency, it unintentionally disadvantages certain Working Breeds – particularly Rottweilers – the specialist conditioning of which includes the use of outside attraction.</p> <p>We propose that limited and controlled outside attraction be permitted under the following strict conditions:</p> <ul style="list-style-type: none"> • Outside attraction to be limited to one person only; • Use of a ball or similar object only; • No whips, man-work or defence equipment to be permitted; • All outside attraction to be entirely at the Judge’s discretion and under the Judge’s control. <p>Rationale: In the current climate of declining show entries, Clubs are increasingly required to think creatively and practically about how to attract exhibitors and increased entries. The Specialist Rottweiler community conditions dogs specifically for outside attraction as part of correct Breed presentation and temperament assessment. When Rottweilers conditioned for Specialist Shows are entered at All-breeds Shows where outside attraction is prohibited, it creates a direct conflict in training methodology. Attempting to condition dogs to perform optimally, both with, and without, outside attraction, often leads to confusion, resulting in dogs not performing well in either environment. This, in turn, negatively affects their presentation in Specialist rings when exhibitors attempt to over-condition for All-breeds stacking.</p> <p>Allowing limited and controlled outside attraction would encourage greater participation from Rottweiler exhibitors at All-breeds Championship Shows. Furthermore, it may also attract other traditionally outside-attracted Breeds – such as German Shepherd Dogs – thereby increasing overall breed entries and ring diversity at All-breeds Championship Shows.</p> <p>Breed Standard and Temperament Assessment:</p>

		<p>The Rottweiler Breed Standard describes a dog that reacts to its surroundings with great alertness, while remaining even-tempered and confident. Limited outside attraction allows Judges to better assess:</p> <ul style="list-style-type: none"> • Alertness and attentiveness; • Focus and willingness to work; • Confidence, steadiness and overall disposition. <p>When applied correctly and under judicial control, outside attraction enhances the Judge's ability to assess true Breed temperament, without compromising ring safety or fairness.</p> <p>Conclusion: We believe that this carefully regulated allowance would:</p> <ul style="list-style-type: none"> • Encourage increased entries at All-Breeds Championship Shows; • Improve fairness for traditionally outside-attracted Working Breeds; • Enhance the quality of temperament assessment; • Support Clubs in adapting to modern exhibiting challenges. <p>We respectfully request the Federal Council to consider this proposal in the interest of Breed preservation, exhibitor participation and the increased growth of All-breed events, which are declining steadily year-on-year.</p> <p>Proposed amendments to Schedule 03 Regulations 16.4 & 37.3:</p> <p>Insertions in <u>underlined bold type</u> and deletions in [struck through square brackets].</p> <p>16. Exhibition of dogs</p> <p>16.4 No exhibitor shall allow the dog he is exhibiting to be deliberately and improperly attracted from outside the ring whilst such dog is within the ring to be judged, <u>save and except for Rottweilers and other traditionally outside-attracted Working Breeds, where limited and controlled outside attraction will be permitted solely with the Show Manager's agreement and at the Judge's discretion and under the Judge's control.</u></p> <p>37 Fraudulent or Discreditable Conduct</p> <p>37.3 Without limiting the extent and meaning thereof, discreditable conduct shall include inter alia wilfully, by word or letter, attempting to influence exhibitors to boycott a Show, wilfully speaking to or treating a Judge or any Show Official in a disrespectful or contemptuous manner, wilfully permitting his exhibit to be improperly attracted from outside the Judging Ring whilst within the ring to be judged, <u>save and except for Breeds where limited and controlled outside attraction is permitted under Regulation 16.4 of this Schedule</u>; failing to pay entry fees or other dues in respect of the Show; wilfully acting or behaving in opposition to these Regulations; making any false declaration upon his Show entry form; failing to comply with any request properly made by a Show Official; any act of cruelty to or neglect of a dog; any disorderly or unseemly conduct at or within the precincts of a Show; making insulting or disparaging remarks of and about any dog, Exhibitor, handler, Show Official, Judge or KUSA Representative at a Show.</p> <p>For decision.</p>
	12.2.3	<p>Proposed amendments to Schedule 03 – Regulations for Championship Shows – appointment of replacement Judges, especially in cases of emergencies</p> <p>Submitted by the KUSA Office.</p> <p>[Note: Refer to corresponding proposal in Item 13.1.2.]</p>

		<p>Proposal & Motivation: Regulation 20.2 allows for the replacement of a Judge after a Show licence has been issued where such Judge has to cancel due to unforeseen circumstances such as illness or inability to travel. Regulation 20.2 currently requires Clubs to make such application “within the periods stipulated”, but this is not always possible in emergency situations. It is, therefore, proposed that provision be made for Clubs to apply for a replacement Judge ahead of the Show and for emergency replacements to be made at the last minute whereby the Executive Committee Chairman will authorise such replacement.</p> <p>Proposed amendments to Schedule 03 Regulations 20.2 and the insertion of a new Regulation 20.2.1:</p> <p>Insertions in <u>underlined bold type</u> and deletions in [struck through square brackets].</p> <p>20. 	12.2.4	<p>Proposed amendments to Schedule 03 – Regulations for Championship Shows – introduction of intermediate action by the KUSA Office or the Executive Committee to redress less serious regulatory breaches</p> <p>Submitted by Executive Committee.</p> <p>Proposal (Principal): In less serious instances of discreditable conduct pertaining to regulatory breaches, to introduce the option of redress through correspondence by the KUSA Office, or through remedial or punitive steps by the Executive Committee, rather than through the Disciplinary process set out in Schedule 01.</p> <p>Motivation: Disciplinary action under Schedule 01, with KUSA acting as the Complainant, is the prescribed way of achieving redress for reported regulatory breaches. These breaches, however, differ in nature and severity and the object of this amendment is to create a mechanism to redress less serious transgressions of discreditable conduct through written petition by the KUSA Office or, if unsuccessful, through remedial or punitive steps by the Executive Committee. Such intermediate action should, conceivably, prove less draining on KUSA’s financial and administrative resources.</p> <p>[Note: This Item is the Principal Proposal and should be considered in conjunction with the Companion Proposals under: Item 12.2.5 (Proposed amendment to Schedule 03 – Regulations for Championship Shows – allowing for the Executive Committee to take further remedial or punitive action (other than a fine) should the Secretary’s demand for payment of the Show Entry Fees go</p>

37.1 The Show Committee shall report, in writing, to the Secretary any case of alleged fraudulent or discreditable conduct, and any default or omission at or in connection with a Show which is brought to its notice. 37.3 Without limiting the extent and meaning thereof, discreditable conduct shall include inter alia wilfully, by word or letter, attempting to influence exhibitors to boycott a Show, wilfully speaking to or treating a Judge or any Show Official in a disrespectful or contemptuous manner, wilfully permitting his exhibit to be improperly attracted from outside the Judging Ring whilst within the ring to be judged; failing to pay entry fees or other dues in respect of the Show; wilfully acting or behaving in opposition to these Regulations; making any false declaration upon his Show ~~[e]Entry [H]Form;~~ failing to comply with any request properly made by a Show Official; any act of cruelty to or neglect of a dog; any disorderly or unseemly conduct at or within the precincts of a Show; making insulting or disparaging remarks of and about any dog, Exhibitor, ~~[H]Handler,~~ Show Official, Judge or KUSA Representative at a Show.

37.4 Upon receipt of every report made in terms of Sub-Regulation 37.1 hereof, the Secretary shall **refer the report to the Sub-Committee of Inquiry, established in terms of Schedule 01, to assess the nature and severity of the alleged discreditable conduct and, based on such assessment, to either:**

37.4.1 refer the report and submitted documentation back to the Secretary with a request to enter into correspondence with the offender to demand redress of the alleged discreditable conduct with the recommendation that, should the Secretary's efforts fail to remedy the situation, for the report and submitted documentation to be referred to the Executive Committee to take such remedial or punitive action as deemed appropriate under Regulation 7.6 to redress the alleged discreditable conduct; or

Dogs registered in this register are eligible to enter Championship and Non-Championship Shows, may be awarded CCs, but cannot be awarded Championship Status.</i></p> <p>It is necessary to provide for a flexibility in the Judge’s Declaration on the CC and RCC Certificates to obviate the need for issuing of two types of CC and RCC. 		12.2.8	<p>Proposed amendments to Schedule 03 – Regulations for Championship Shows – Competition on the day by Judges</p> <p>Submitted by DOGSPC.</p> <p>[Note: Also refer to corresponding proposals under Items 13.1.3 & 17.2.1.]</p> <p>Proposal: As previously proposed, for Non-Championship Shows at the Fedco 06-2025 meeting, and successfully implemented, the same amendments are being proposed for Championship Shows, allowing officiating Judges to enter and exhibit at other Breed Shows, including Shows hosted by the same Club but held under different licence, taking place on the same day and at the same venue as the Show at which they are officiating.</p> <p>It is no longer practicable or logical to restrict officiating Judge’s from exhibiting and/or entering other Shows on the same day and same venue as the Show at which they were officiating, for the following reasons:</p>

1. Dwindling entry numbers and year-on-year steady decline;
2. Historically, only one Show/Event was held per day;
3. Limited number of Judges with below ideal application numbers to join the KUSA Breed Judge's Learning Programme annually;
4. Show venues are extremely limited, with only one venue available in most Provinces with multiple Shows hosted on the same day/over the same weekend being held at the same venue;
5. Limited pool of qualified Judges willing to be contracted, especially for Group or Specialist Clubs hosting shows over Cluster weekends.

The current regulations severely restrict, specifically, entry numbers for Clubs hosting Championship and Qualifying Shows and compromises Judges by limiting the potential entries they could receive at appointments and restricts officiating Judges from supporting other Shows and Judges with entries. Clubs are losing out on entry fees, making the struggle to balance ever-rising expenses impossible. Due to lower entries, Judges are often required to assist a Club by judging at Shows held during a day/weekend where several other Shows are held, i.e. Cluster Weekends – often on the same day, under various different licences. It is unfair that the current regulations allow an exception for “Working disciplines”, but Breed Judges are being penalised. This affects Judges’ willingness to accept appointments if they are precluded from participating in other Shows on the same day at the same venue (which is fast becoming the norm) to which they have travelled, often at own cost and then being left to while away the rest of the day or leave the Show, having been prohibited from participating or supporting the Club in question.

Allowing officiating Judges to enter and exhibit at other Breed Shows, including Shows hosted by the same Club but held under different licence, taking place on the same day and at the same venue as the Show at which they are officiating, would greatly alleviate the difficulties experienced by Clubs and officiating Judges and increase entry numbers.

Please note: the addition of Regulation 11.3 to Schedule 10 Regulations: KUSA Breed Judges’ Learning Programme is housekeeping as the proposal relating to this amendment in Schedules 03 and 04 was remiss in including this addition in Schedule 10.

	13.1		Amendments to Schedule 04 – Regulations for Non-championship Shows
		13.1.1	<p>Proposed amendments to Schedule 04 – To permit limited and controlled outside attraction for Rottweilers at KUSA-licensed All-breeds Non-championship Shows</p> <p>Submitted by Rottweiler Breed Council.</p> <p>[Note: Also refer to corresponding proposal Item 12.2.2.]</p> <p>Proposal, Motivation and allied Justifications: Refer to proposal under Item 12.2.2 – Proposed amendments to Schedule 03 – To permit limited and controlled outside attraction for Rottweilers at KUSA-licensed All-breeds Championship Shows – to whatever extent relevant to Non-championship Shows.</p> <p>Proposed amendments to Schedule 04 Regulations 11.4:</p> <p>Insertions in <u>underlined bold type</u> and deletions in [struck through square brackets].</p> <p>11.4 No exhibitor shall allow the dog he is exhibiting to be deliberately and improperly attracted from outside the ring whilst such dog is within the ring to be judged, <u>save and except for Rottweilers and other traditionally outside-attracted Working Breeds, where limited and controlled outside attraction will be permitted solely with the Show Manager’s agreement and at the Judge’s discretion and under the Judge’s control.</u></p> <p>For decision.</p>
		13.1.2	<p>Proposed amendments to Schedule 04 – Regulations for Non-championship Shows – appointment of replacement Judges, especially in cases of emergencies</p> <p>Submitted by the KUSA Office.</p> <p>Proposal & Motivation: Regulation 15.3 allows for the replacement of a Judge after a Show licence has been issued where such Judge has to cancel due to unforeseen circumstances such as illness or inability to travel. Regulation 15.3 currently requires Clubs to make such application “within the periods stipulated”, but this is not always possible in emergency situations. It is, therefore, proposed that provision be made for Clubs to apply for a replacement Judge ahead of the Show and for emergency replacements to be made at the last minute, whereby the Executive Committee Chairman will authorise such replacement.</p> <p>[Note: Refer to corresponding proposed changes to Schedule 03 as per Item 11.2.3]</p> <p>Proposed amendments to Schedule 04 Regulations 15.3 & 15.3.1:</p> <p>Insertions in <u>underlined bold type</u> and deletions in [struck through square brackets].</p> <p>15. 		<p>or a Judge's inability to travel [and the approval required under Sub-Regulation 20.1.1 and 20.1.2 thereof, may be applied for within the periods stipulated].</p> <p><u>15.3.1 In the case of a last-minute emergency necessitating the replacement of a Judge, the Show Committee must seek the approval of the Chairman of the Executive Committee before appointing a replacement Judge, also notifying the KUSA Office.</u></p> <p>For decision.</p>
	13.1.3	<p>Any Matters Relating to Schedule 04A – Regulations for Qualifying Shows</p> <p>Proposed amendments to Schedule 04A – Regulations for Qualifying and Re-qualifying Shows</p> <p>Submitted by DOGSPC.</p> <p>[Note: Also refer to corresponding proposals under Items 12.2.8 & 17.2.1.]</p> <p>Proposal:</p> <p>As previously proposed, for Non-Championship Shows at the Fedco 06-2025 meeting, and successfully implemented, the same amendments are being proposed for Championship Shows, allowing officiating Judges to enter and exhibit at other Breed Shows, including Shows hosted by the same Club but held under different licence, taking place on the same day and at the same venue as the Show at which they are officiating.</p> <p>It is no longer practicable or logical to restrict officiating Judge's from exhibiting and/or entering other Shows on the same day and same venue as the Show at which they were officiating, for the following reasons:</p> <ol style="list-style-type: none"> 1. Dwindling entry numbers and year-on-year steady decline; 2. Historically, only one Show/Event was held per day; 3. Limited number of Judges with below ideal application numbers to join the KUSA Breed Judge's Learning Programme annually; 4. Show venues are extremely limited, with only one venue available in most Provinces with multiple Shows hosted on the same day/over the same weekend being held at the same venue; 5. Limited pool of qualified Judges willing to be contracted, especially for Group or Specialist Clubs hosting shows over Cluster weekends. <p>The current regulations severely restrict, specifically, entry numbers for Clubs hosting Championship and Qualifying Shows and compromises Judges by limiting the potential entries they could receive at appointments and restricts officiating Judges from supporting other Shows and Judges with entries. Clubs are losing out on entry fees, making the struggle to balance ever-rising expenses impossible. Due to lower entries, Judges are often required to assist a Club by judging at Shows held during a day/weekend where several other Shows are held, i.e. Cluster Weekends – often on the same day, under various different licences. It is unfair that the current regulations allow an exception for "Working disciplines", but Breed Judges are being penalised. This affects Judges' willingness to accept appointments if they are precluded from participating in other Shows on the same day at the same venue (which is fast becoming the norm) to which they have travelled, often at own cost and then being left to while away the rest of the day or leave the Show, having been prohibited from participating or supporting the Club in question.</p> <p>Allowing officiating Judges to enter and exhibit at other Breed Shows, including Shows hosted by the same Club but held under different licence, taking place on the same day and at the same venue as the Show at which they are officiating, would greatly alleviate the difficulties experienced by Clubs and officiating Judges and increase entry numbers.</p>

			<p>Please note: the addition of Regulation 11.3 to Schedule 10 Regulations: KUSA Breed Judges' Learning Programme is housekeeping as the proposal relating to this amendment in Schedules 03 and 04 was remiss in including this addition in Schedule 10.</p> <p>Proposed amendments to Schedule 04A Regulation 9.13</p> <p>Insertions in <u>underlined bold type</u> and deletions in [struck through square brackets].</p> <p>9. Entry for Exhibition:</p> <p>9.13. [A Judge at a Show may not enter or handle a dog in the same discipline ((Breed, Obedience, Working Trials, IGP, Dog Jumping and Agility, Carting), as that in which he/she is officiating.)]</p> <p><u>A Judge may only enter and/or handle a dog in accordance with the Regulations below. If transgressed, automatic disqualification of the dog(s) will apply and the Judge may be liable for disciplinary action under Schedule 01.</u></p> <p><u>9.13.1 Breed Judges – A Judge may not enter or handle a dog registered in his ownership in the same discipline at the same Championship Show, under the same licence, as he is officiating. For the avoidance of doubt, an officiating Judge may enter the same discipline, at Championship Shows, at the same venue on the same day held under a separate licence.</u></p> <p><u>9.13.2 Dogsport Judges – A Judge may not enter or handle a dog registered in his ownership in the same discipline at the same Championship Show, under the same licence, as he is officiating, unless specifically permitted by the relevant Dogsport Schedule.</u></p> <p>For decision.</p>

Dispensation was, however, required as the two (2) dogs competing on the day would be competing under different Show Licences, as the one had not yet achieved a qualification enabling it to enter the KUSA Nationals. All the requirements would be met for this Learner Judge's appointment, with the exception of the two (2) dogs present being entered under different Show Licences.</p> <p>Given the urgency and the unavoidable inevitability of non-compliance due to a shortage of Judges, the required dispensation was sought by Fedco round robin on 08.05.2026. 		14.12.1	Report from the National Convener National Convener’s Report – 2025 (Rob Hall)

This report covers the 2025 calendar year, my last as Convener of the NAgSC and the last for several of the other provincial representatives of the NAgSC. I would like to acknowledge the important role that a stable and experienced committee has in the smooth operation of a National Sub-committee and would like to thank Ms Annaret Meintjes (WCPC), Dr Carolyn Chelchinsky (DOGSPC), Ms Bev Hourquebie (KZNPC) , and Ms Nikki Moss (EC&BPC) for their contribution over the past four years.

While stability and experience are a strength, so too is the need for change and I wish the new NAgSC Committee well for 2026, with 4 of the 5 represented Provinces having new members on the Committee.

Highlights of the 2025 year are as follows:

South African Agility Championships 2025

The KUSA SAAC were held in June 2025, at ABSA Karkloof Country Club and hosted by KZNDAS. Paleopet Pure were the main sponsor of the event, for their second time. The event also saw the addition on another headline sponsor, OnePlan Pet Insurance, which is appreciated. The KZN event was well organized and the venue most spectacular, with space for all competitors to walk their dogs and enjoy the KZN midlands scenery. The event was judged by Mr Mike Taylor (WC) and Ms Bev Hourquebie (KZN).

The event saw a mix of new and repeat winners, who were all crowned as South African Agility Champion 2026. Our congratulations to all the Champions, and all other handlers and dogs who participated.

Our thanks also go to Ms Bev Hourquebie and her KZNDAS Committee for hosting the event.

AWC WG

The AWC WG continued to struggle to find its role, and my hope is that the revised structure will help to more clearly define the important roles and responsibilities of this important Working Group.

The AWC Team finances continue to be well-managed by Mrs Dawn Bell – and the NAgSC acknowledges the work performed in this regard.

AWC 2025

We were able to send a team of 7 handlers and 8 dogs to AWC 2025 that was held in Kalmar, Sweden, in September 2025. KUSA was represented in both Team and Individual formats in Large, and in Individual formats only in Small and Medium height categories. The list of handlers and dogs who competed at AWC 2025 for KUSA are Gail Killian, with Emily (Small) and Cassidy (Medium), Leandre van der Merwe and Sayra (Large, Team & Individual), Noelene Pretorius and Bree (Large, Team & Individual), Melanie de Klerk and Sinna (Large, Team & Individual), Rob Hall and Duffy (Intermediate) & Europa (Large, Team & Individual), Sam Dore and Roman (Large Individual) and Jason van der Nest (Large Individual).

PaleoPet Pure were the main sponsor for the Team for the second time.

National Agility League 2025

The National Agility League 2025 was successfully concluded in November, with I League events being held in four provinces and five locations. Thank you to all who contributed and congratulations to all who entered.

The net proceeds have been transferred into the KUSA AWC Control Account for use by the AWC Team 2026.

		<p>Trophies for the height category winners have been ordered; it hasn't been determined if sponsorship prizes have been arranged this year.</p> <p>KUSA Schedule 5L and Appendices changes The NAgSC successfully completed an update to the 5L and Appendices as part of the Fedco December 2025 meeting.</p> <p>The updates are relatively small, and with the permission of Fedco the changes that will be implemented in Quarter 1 2026 were shared with Agility Judges as part of the Agility Judges' Refresher 2025.</p> <p>SAAC 2026 The South African Agility Championships 2026 will be hosted by Gauteng in Kyalami from the 13th to 15th June 2025. The Judges for the 2025 event will be Mr Wayne Arniel (Gauteng) and Ms Tam White (WC).</p> <p>Agility Judges Refresher 2025 An Agility Judges' Refresher was arranged and hosted by NAPC in December 2025, with Judges from all provinces attending via the online platform. The Refresher was comprised of two parts, Part One covering Course Design and Part Two covering Rules & Judging.</p> <p>NAPC arranged for two international guest speakers, Ms Elpida Ismael (Greece), FCI Agility Judge & AWC level competitor, and Mr Marc Valk (Netherlands), FCI Agility Judge & AWC level competitor and President of FCI Agility Commission).</p> <p>The insights and contributions of our international guests helped to make the event a significant success. 	14.13		Schedule 05M – Regulations for Flyball et al
		14.13.1	<p>Report from the National Convener</p> <p>National Convener’s Report – 2025 (Liesl Twyman)</p> <p>Flyball is quite stable in Gauteng, but there is a slight decline in the Western Cape and, sadly, a noticeable steep decline in KZN, where the sport is on the brink of termination.</p> <p>Unfortunately, the number of Flyball competitions has also steadily declined over the past few years. The National Flyball Sub-committee has submitted a proposal to Fedco to amend Schedule 05M to allow the respective Sub-committees to organise our own Shows and we are pleased that this change has been passed, effective 01 March 2026. Additional Shows can now be organised and run independently from non-Flyball hosting Clubs.</p> <p>We would like to extend a heartfelt thank you to all Clubs that have hosted Flyball at their Shows and given our sport some exposure. Flyball seems to be excluded from several big events, as was noted in 2025 when it was once again excluded from the Pet Expo. Flyball may not be a big money-spinner compared to other dog sports; however, it is a massive crowd pleaser. Furthermore, it shouldn’t be seen as a significant financial burden on Clubs, as the Flyball teams provide and set up their own equipment. It would be greatly appreciated if more Clubs would consider including Flyball at their Shows, which in turn assists Flyball to continue growing.</p> <p>Judges: Three new Judges qualified in Gauteng, namely Venita Prigge, Monika Mohr and Karin Roos, who all qualified with distinction. Two Judges have already completed their two Non-championship judging appointments to qualify as Championship Show Judges.</p> <p>National Championships: The KUSA Classic took place in Cape Town at the end of October 2025. The 2025 National Champions are Cape Furr Fly from the Western Cape and Reserve National team is Furrytails Flying Foxes from Gauteng. Six teams competed on Friday and on Saturday (Nationals) and seven teams competed on Sunday.</p> <p>Titles and achievements: Congratulations to all the Flyball dogs and their handlers who have been awarded specific titles and Flyball Achievements this year. Awards have included FD, FDX, FDA, Champion, “Th One & Only” as well as the prestigious Grand Champion (2000 points). Special mention to the following dogs achieving the Master Flyball Dog (3000 points) namely Quade owned by Liesl Twyman and Coal owned by Yolande Johnson. One dog achieved the Chewbacca award (4000 points) – congratulations to Ziva owned by Yolande Johnson. These awards are obtained with a lot of hard work, perseverance, dedication and very importantly, teamwork.</p> <p>Appreciation:</p>

		<p>In closing, I would like to thank the dedicated handlers and their dogs who ensure that Flyball continues to thrive, every Club that has hosted Flyball as a part of their Shows, and to every official (Judge or Steward) who has contributed to make Flyball great and to the wonderful sponsors!</p> <p>For noting.</p>

Proposed amendments to Schedule 05S – Regulations for Musical Freestyle (MFS)

Submitted by NAPC Dog Dancing Ad Hoc Sub-Committee

Proposal & Motivation:

- We would like to stop the lower levels – Beginner, Novice and Intermediate from being issued a Qualifying Certificate (QC). When a Handler and dog Team qualify, they are getting a QC. They should just get their qualifying score written in the Record Card until they reach the Advanced level. A Team receiving a qualifying score in Advanced, will be issued with a Qualifying Certificate (QC). Teams in the lower levels are receiving QCs which have the following wording at the bottom: "... is of such outstanding merit as to be worthy of qualifying for the title of Champion. I/we certify that this award is in accordance with the Kennel Union of Southern Africa Regulations." This wording above only applies to Teams in the

Advanced Class and, therefore, they will receive the QC. No QCs will be issued in the lower Classes. All qualifying scores will be written in the dog's Record Card.

4. To change the wording to avoid any confusion of Handlers and Judges about the use of props within a routine. At the moment, Judges are insisting that props are used more than once, despite this not being covered by the Schedule. The wording, "at least once", will clarify that a prop needs to be used once, but not necessarily more than once. The changes should help to explain prop use.

Schedule 05T – Regulations for Rally Dog et al

14.16.1

Report from the National Sub-committee Convener

National Convener's Report – 2025 (Robyn Harflett)

Rally Dog is proving to be a very versatile sport and is attracting dogs and Handlers from all dog sport disciplines.

We are seeing dogs from all the working disciplines as well as breed trying their hand at the sport. As a relatively new and growing sport it is excellent to see the variety of different breeds we are getting in the ring.

The year has seen a variety of shows hosted across the provinces. Here are the statistics as per the Working Dog website. There might be an event or two missing off the list due to Clubs not using the website.

- Eastern Cape hosted 35 Shows over the year with 481 dogs entered at these events. 20 of these events were Non-championship Shows with 330 dogs entered at the Non-championship Shows and 15 Championship Shows with 151 dogs entered.
- Gauteng hosted 34 Shows over the year with 814 dogs entered at these events. 14 of these events were Non-championship Shows with 441 dogs entered at the Non-championship Shows and 20 Championship Shows with 373 dogs entered
- KZN hosted 14 Shows over the year with 184 dogs entered at these events. 8 of these events were Non-championship Shows with 126 dogs entered at the Non-championship Shows and 6 Championship shows with 58 dogs entered.
- Western Cape hosted 12 Shows over the year with 296 dogs entered at these events. 5 of these events were Non-championship Shows with about 150 dogs entered at the Non-championship Shows and 7 Championship Shows with 146 dogs entered.

With all these events being run, we were also able to award quite a lot of QCs and crown a few Champions:

- Eastern Cape issued 21 QCs
- Gauteng issued 43 QCs

			<ul style="list-style-type: none"> • KZN issued 12 QCs • Western Cape issued 10 QCs <p>Rally also added its very 1st Grand Champion/Master being Silvia Stringer and Ch Ob, Ch RAL, TDK Danny NAT.OB'23 NAT.RAL'23 from the WC. We are super proud of this team and their amazing achievement.</p> <p>Rally Nationals were hosted in Cape Town this year and I'd really like to congratulate the Organising Committee and Judges for all their hard work for this event. There was a lot of very good feedback on the event.</p> <p>Chantal Ross-Germishuys, our FCI Representative, participates in meetings bi-monthly. As a result, our judging guidelines are in close alignment with FCI standards. The FCI-RO Commission is in the process of establishing the criteria for becoming an FCI judge. To maintain uniformity in judging throughout SA, we have developed a training program that will be implemented during National Judging Training sessions in 2026.</p> <p>I'd like to finish off my report by thanking all the Clubs that host rally at there Shows or those who are prepared to allow the use of their licences. Without you guys our sport cannot continue to grow.</p> <p>To the sponsors of these events, we really appreciate everything you give to the events. We understand the huge financial costs these are to you and we appreciate everything you do for the Clubs and the sport.</p> <p>A huge thank you to everyone involved in the sport and may we continue to grow from strength to strength.</p> <p>For noting.</p>
		14.16.2	<p>Proposed amendments to Schedule 05T – Regulations for Rally Dog</p> <p>Submitted by National Rally Dog Sub-committee.</p> <p>Proposal & Motivation: With Rally Dog having run as a competitive sport for a number years now, the NRDSC has identified a number of changes required to bring us in line with other sports as well as clear up some confusion that is being brought to our attention by both Judges and competitors. The NRDSC felt that we had a few Classes that were actually redundant and voted to remove such Classes. You will note that changes to some clauses are purely housekeeping on removing these Classes from Rally Dog.</p> <p>It was also felt that it was now time to start taking our Judges from one training scheme rather than offering two options. It was decided that Rally Dog no longer needs to pull Judges from other sports.</p> <p>Please find listed below the bigger changes to the Schedules and the NRDSC's motivations behind changing them:</p> <ul style="list-style-type: none"> • Clause 4.5 Allows better clarity to competitors • Clause 5.2 Which deals with the Senior Class, has been entirely eliminated due to its redundancy, given the lack of competitors since its inception. Additionally, it was determined that dogs older than 8 years or dogs over 12 months with a disability, that are deemed unable to complete on a standard Rally course, should ideally refrain from competing, as this would not be in the best interest of the dog. • Clause 5.7 Which deals with Grand Master Class. The NRDSC felt that due to Handlers competing on the same course and being judged entirely the same as Master Class that it was not necessary to run a completely different Class. This

brings Rally Dog in line with a number of other KUSA sports where having achieved Champion status with their dogs, the Handlers and dogs stay in the top Class to earn the QCs to become Grand Champions.

- Clause 6.4.1 and 6.4.1.1 It was found in certain exercises there was not enough space for Handlers to execute the exercise before they are right on top of the next board. This change allows Judges to create more space by measuring from the end of the approximate area of completion of the exercise, rather than from the previous Test Card.
- Clause 6.4.2 Clarifies for Judges the distances from the edge of the ring Test Cards and cones may be placed so as not to handicap Handlers.
- Clause 6.4.5 Has been added to try making sure that Judges nationally are using a fair number of different signs. It also includes the changes to the Table, removing of Senior and Grand Master Class and the inclusion of right-hand work.
- Clause 6.6.3 Gives clarity to position of Handler when executing the recall signs.
- Clause 6.13.2 Giving better clarity to the execution of the Start Marker.
- Clause 6.13.3 Giving better clarity on the execution of the Finish Marker
- Clause 6.14.2 It was unanimously agreed to abolish the 4-minute time disqualification, and to rather institute a fair point deduction for time over 4 minutes.
- Clause 6.14.5 This clause was added to keep transparency in the sport of Rally Dog and to ensure that the competition day flows.
- Clause 6.15.2 Has been included in the schedule to make sure Handlers know what equipment is permitted on their dogs in the ring. The NRDSC felt that a harness could pose a hazard to the dog when performing exercises over jumps, etc.
- Clause 7 Was added so that Handlers are aware of what is a disqualifying point.
- Clause 9 It was voted unanimously that Learner Judges must shadow a qualified Rally Dog judge.
- Judge. Accordingly, a Rally Dog Judge Record Card will be issued for all new Learner Judges.
- Clause 9.2.2.3 Makes sure that Judges are current when finishing their judging application journey and that the process can't be drawn out forever.
- Clause 9.3.1 Is to aid the new Judges in making sure their courses work as Rally Dog is completely based on the flow of its courses, and to help them feel more comfortable with their first judging appointments.
- Clause 9.6 Addresses the ever-changing sport that is Rally Dog and make sure that our Judges stay current.
- Clause 10.2 The changes in this clause defines a Steward and the responsibilities of a Steward.

The changes we have proposed to Fedco also affect a number of other Schedules such as Schedule 03, Schedule 05E(7) Goldfields Dog of the Year, Schedule 05E(11) KUSA National Awards, and Schedule 05E(22) NAPC Top Dog (changes to this Schedule have been submitted via the NAPC Top Dog Organising Committee).

[Note: The proposed amendments to Schedule 05E(22) – Regulations for NAPC Top Dog – appear on this Agenda as Item 15.9.1. The proposed amendments to the other affected Schedules will be pursued by the KUSA Office for placement on the Agenda of Fedco 12-2026.]

At the Club's AGM held on 22.02.2025, the Committee agreed to amend Schedule 5E(15)(1.4), which refers to the Dog of the Year competition hosted by the Club. The then Chairman, Mr KD Young, was appointed for this task. The reasons for requiring this amendment are simply to update the Regulations to bring the Competition in line with current trends at our KUSA dog shows. The name "Derek Ceronio" is proposed for removal, since it has been 30 years since his passing, and few exhibitors know who he was.

8.3 The Helpers Selection will be undertaken by one (1) FCI-IGP Judge and one (1) Tutor Helper, who will assess the candidates based on their fitness, technique, understanding of the FCI-IGP routines and safety of the dogs. The candidates will be listed in order of preference.

8.4 The short-listed candidates will be presented to the GSDLC for discussion and endorsement. Should the GSDLC not endorse the first candidate, on good cause or out of concern, the second candidate will be considered, and so forth, until an suitable Helper is selected. A reserve Helper must also be selected.

8.5 At the Grand Victor Competition, the appointed Helper will undergo a “demonstration”/”test” under the Judge. Should the Judge deem the Helper to be unprepared or unfit, the Judge may request the Reserve Helper to officiate at the Competition or part thereof.

Sponsorship</p> <p>10.1 <u>The Competition may be sponsored permanently or on an annual basis by any organisation acceptable to both Fedco and the current Host Club. In the years when the Competition is sponsored, the title may be preceded by the name of the Sponsor. Should either the Club or the Sponsor wish to disassociate themselves from the Competition, this may not be done so as to prejudice the holding of the Competition in that year or any succeeding years. For this reason, a contract should be drawn up between the Club and any Sponsor, establishing the rights and obligations of both parties should either decide to associate with, or withdraw from the Competition.</u></p> <p>10.2 <u>It is a condition of entry that exhibitors may not use their dogs or any award gained at this Competition for the purpose of advertising any product without the permission of the Sponsor having first been obtained in writing.</u></p> <p>For decision.</p>
	15.9	<p>Schedule 05E(22) – Regulations for NAPC Top Dog</p>
	15.9.1	<p>Proposed Amendments to Schedule 05E(22) – Aligning Junior Showmanship Regulations with other Schedules, introducing the term “Showmanship”, and the elimination of the Rally Dog Grand Master Class, subject to the amendments to Schedule 05T (Regulations for Rally Dog) being approved by Fedco.</p> <p>Submitted by NAPC.</p> <p>Proposal & Motivation: With the hosting of the 2025 Top Dog Competition, it came to the attention of the Top Dog Organising Committee that the Junior Showmanship Regulations, as contained in this Schedule, contradicted the Regulations surrounding qualification age of competitors as contained in Schedule 03 – Regulations for Championship Shows – and Schedule 05K – Regulations for Handler Classes. Additionally, the Rally Dog Sub-Committee is of the opinion that Rally Dog is no longer a new, developing discipline. When the Regulations were drafted, Rally Dog was a new Dogsport with very few dogs with Qualifying Certificates. Currently, many dogs compete in Rally Dog and the qualification requirements need to be amended for Top Dog to increase the stakes for qualifiers and to make it a prestigious event for Rally Dog competitors who support Gauteng-based Clubs.</p> <p>[Note: The proposal was originally unanimously approved at the NAPC’ meeting in February, however, the NAPC Rally Dog Sub-Committee Chairman requested delaying submission as the National Rally Dog Sub-Committee were still working on Schedule 05T amendments which affected their portion of the original NAPC Top Dog proposal. The Schedule 05T amendments have now been incorporated in the main proposal, but please be aware that the proposed amendment to remove the “Grand Master” Class in the NAPC Top Dog Schedule 05(22) Regulations is dependent on the approval by Fedco of the amendments submitted by the National Rally Dog Sub-Committee to Schedule 05T. Should the removal of the Grand Master Class from Schedule 05T not be approved by Fedco, that portion of the proposal to amend Schedule 05(22) will also not be approved. However, this should not invalidate the other amendments in the attached proposal.]</p> <p>Proposed amendments to Schedule 05E(22) Regulations 6.3.9 – 6.3.10:</p> <p>Insertions in <u>underlined bold type</u> and deletions in [struck through square brackets].</p> <p>6.3.9. 8.3 It must be clearly stated in the Show Schedule that the Show shall be a Grading and/or Critiquing Show.

8.4 The Baby Puppy Class needs to be presented last in the Show.

8.5 Classes will run in age order, alternating females first (Stockhaar then Langstockhaar) and then males (Stockhaar then Langstockhaar), i.e. Minor Puppy females, Stockhaar followed by Minor Puppy female Langstockhaar, followed by Minor Puppy males, Stockhaar and Minor Puppy males, Langstockhaar, thereafter proceeding to the next age Class.

8.6 Clubs are entitled to provide additional awards such as Best Puppy in Show, Best Junior in Show, Best in Show and Best Opposite Sex to these awards. Should these awards be included, the first-placed dog in each Class at the Show, in that category, may be presented, but should a dog have a higher Grading than its competitors, the dogs with the highest Gradings are to be considered only. That is to be interpreted as follows: The Show has the following Classes to be considered for Best in Show – SA Bred, Working, Import and Veteran. Of the eight (8) classes available, four (4) dogs received Excellent Show Gradings, three (3) received Very Good Show Gradings and one (1) received a Good Show

Grading. For this award, only the dogs that received an Excellent Show Grading may be presented for the Best in Show.

8.7 The males and females from each Class are presented together, males first, for the purposes of the Best in Show categories.

8.8 Best in Show awards need to be awarded to Stockhaar and Langstockhaar separately.

8. [AWARDS

8.1. Only "EX" dogs— i.e. dogs graded "Excellent"— may compete for the Challenge Certificate (CC) and Reserve Challenge Certificate (RCC).]

17			MATTERS RELATED TO BREED JUDGING
	17.1		The Judges Education Council (JEC)
		17.1.1	Report by the Chairman of the JEC
	17.2		Matters relating to Schedule 10 – Breed Judges’ Learning Programme
		17.2.1	Proposed amendment to Schedule 10
			<p>Proposed amendments to Schedule 10 – Regulations for Breed Judges Learning Programme</p> <p>Submitted by DOGSPC.</p> <p>[Note: Also refer to corresponding proposals under Items 12.2.8 and Item 13.1.3.]</p> <p>Proposal:</p> <p>As previously proposed, for Non-Championship Shows at the Fedco 06-2025 meeting, and successfully implemented, the same amendments are being proposed for Championship Shows, allowing officiating Judges to enter and exhibit at other Breed Shows, including Shows hosted by the same Club but held under different licence, taking place on the same day and at the same venue as the Show at which they are officiating.</p> <p>It is no longer practicable or logical to restrict officiating Judge’s from exhibiting and/or entering other Shows on the same day and same venue as the Show at which they were officiating, for the following reasons:</p> <ol style="list-style-type: none"> 1. Dwindling entry numbers and year-on-year steady decline; 2. Historically, only one Show/Event was held per day; 3. Limited number of Judges with below ideal application numbers to join the KUSA Breed Judge’s Learning Programme annually; 4. Show venues are extremely limited, with only one venue available in most Provinces with multiple Shows hosted on the same day/over the same weekend being held at the same venue; 5. Limited pool of qualified Judges willing to be contracted, especially for Group or Specialist Clubs hosting shows over Cluster weekends. <p>The current regulations severely restrict, specifically, entry numbers for Clubs hosting Championship and Qualifying Shows and compromises Judges by limiting the potential entries they could receive at appointments and restricts officiating Judges from supporting other Shows and Judges with entries. Clubs are losing out on entry fees, making the struggle to balance ever-rising expenses impossible. Due to lower entries, Judges are often required to assist a Club by judging at Shows held during a day/weekend where several other Shows are held, i.e. Cluster Weekends – often on the same day, under various different licences. It is unfair that the current regulations allow an exception for “Working disciplines”, but Breed Judges are being penalised. This affects Judges’ willingness to accept appointments if they are precluded from participating in other Shows on the same</p>

day at the same venue (which is fast becoming the norm) to which they have travelled, often at own cost and then being left to while away the rest of the day or leave the Show, having been prohibited from participating or supporting the Club in question.

Allowing officiating Judges to enter and exhibit at other Breed Shows, including Shows hosted by the same Club but held under different licence, taking place on the same day and at the same venue as the Show at which they are officiating, would greatly alleviate the difficulties experienced by Clubs and officiating Judges and increase entry numbers.

[**Note:** The addition of Regulation 11.3 to Schedule 10 Regulations – KUSA Breed Judges' Learning Programme – is housekeeping as the proposal relating to this amendment in Schedules 03 and 04 should have carried over to Schedule 10.]
