JUDGE:
ROBBIE DE JONG

A NOTE FROM THE NATIONAL IGP COMMITTEE

Dear Participants, Sponsors, Supporters and IGP enthusiasts

Welcome to the 2024 KUSA FCI Meisterschaft held in the Western Cape .

We thank the Western province Clubs who are hosting this year's Meisterschaft for their special efforts in the organizing of this prestigious IGP event, held in South Africa each year.

A big welcome to Mr Robbie de Jong as our overseas judge - definitely not a stranger to South Africa - and Catharina de Leeuw as our overseas helper. Both are highly experienced as judge, helper, and competitors. We wish them an enjoyable stay here in South Africa.

A special thank you to all of the sponsors and contributors, without your generous contributions this event would not be possible.

This year's event promises to once again be very exciting, and we wish all competitors the very best of luck and trust that they will be justly awarded for the dedication and commitment they put into this sport.

Dear Fellow Sport Friends and Dog Lovers,

Welcome to the 2024 KUSA IGP Championship and Meisterschaft held in the Western Cape. We appreciate the efforts that many of you have made to compete this weekend, travelling from all over the country.

We are honoured and privileged to welcome Mr Robbie de Jong (The Netherlands) as our overseas judge and Catharina de Leeuw (Netherlands) as our overseas helper. Both are highly experienced as judge, helper and competitors in their own right. We wish them an enjoyable stay here in South Africa.

Our local helper Mr Yusri Damon, well known to many, has officiated at the last four Meisterschaft trials in South Africa.

We thank the Western Cape Clubs who are hosting this year's Meisterschaft for their special efforts in raising the necessary funds, organising the venues and the running of the event. We trust that the competitors and spectators will find the stadium, tracking grounds and other arrangements to be of an exceptional standard.

A special thanks to all the sponsors and contributors, without your generous contributions this event would not be possible. Also thanks to the other provinces that donated towards this event.

This year's event promises to be once again very exciting, with several highly competitive handlers and dogs capable of winning the Meisterschaft and other titles. We wish them all the best and trust they will be justly awarded for the dedication and commitment they put into their sport. We wish you all - competitors, officials and spectators - an exciting and enjoyable sporting weekend.

Eugene du Toit.
(On behalf of the WC-IGP-SC)

OUR JUDGE MR ROBBIE DE JONG

My name is Robbie de Jong, born in 1972 in Rotterdam in the Netherlands.

My home town is Etten-Leur near Breda.

I have been a dog trainer and helper for 40 years, first as a helper and later as a competitor.

I have always trained German Shepherds. As a helper I was selected for the second part of the WUSV 2004 Eindhoven in the Netherlands.

With two dogs I entered the WUSV, twice with Orthan v Haus Valkenplatz and three times with Glenn V Haus Valkenplatz. With Glenn I was the WUSV 2013 vice-champion in Philadelphia in the USA.

With Glenn I also managed to be Dutch Champion twice.

At the WUSV 2017 Tilburg I was responsible for the helper selection, that was started two years before the WUSV.

I have two daughters, Chinouk and Luna, and my wife is Catharina de Leeuw. Together we train our dogs.

In 2012 I started the judge's seminar and from 2014 I have judged at least 80 trials. I now work a young dog, Macho van 't Pioneersland. I like the training phase of a young dog the most.

I wish all the competitors and the organization success for this event.

Greetings
Robbie de Jong

WELCOME CATHARINA DE LEEUW

I am Catharina de Leeuw, and I am 30 years old. I have been training dogs since I was 10 years old. I am a dog sports fanatic, because of my father. We started with GSD Show dogs and later started training working dogs.

To be a helper attracted me more and more and that's what I wanted. I started I helper work fanatically at the age of 14 and quickly got the hang of it. I got my club licence at the age of 16.

I loved it and continued to learn from the top helpers in the Netherlands. A year later I took the step to be promoted to competition helper.

I have participated in many big competitions, club championships, all breed competitions, the National Championships, competitions for Rottweiler's and Bouviers, and competitions and seminars abroad in countries like Norway, Ukraine and England. A total of 25 competitions spread over a few years full of passion!!

I also set up my own kennel, Van de Lievenschbergh. In recent years I've focused on my female "Danger" and being able to participate in great competitions in IGP.

I also have my own company, Doghydrocare. Rehabilitation and physical maintenance in sports and household dogs, which I started up in 2020 and now work at and run full time - with 12 years of work experience as a veterinary nurse.

Together with my husband, Robbie de Jong, we have been together for almost seven years, living in the city Eten-Leur. We compliment each other in every way and share the same passion.

2024 will be the last year I compete with my own dog, Danger van de Lievenschbergh. I currently have a one year old dog, Gerrit vom Kleinsdorf, with whom I hope too achieve great things in the future.

I wish everybody the best at the Nationals and thank the organization for the opportunity.

**Greetings
Catharina**

OUR LOCAL HELPER YUSRI DAMON

My journey into the world of dogs began in my youth, where I eagerly immersed myself in Canine Aptitude tests and specialized Rottweiler breed shows. Currently, as an active member of the esteemed Cape Rottweiler Club, I proudly serve on the committee and fulfill the role of KUSA helper. In 2018 I embarked on a new chapter by joining the IGP club, GSD Matrix WC, as a learner helper - benefiting greatly from the mentorship and training of Jean-Luc Stapelberg.

In 2020 I attained official qualification as a KUSA helper, marking the start of a journey that saw me actively participating in numerous trials. Among my proudest achievements is being selected as the local helper for the prestigious South Africa Meisterschaft event in 2021, 2022, 2023, and now 2024, collaborating with renowned trainers and helpers along the way.

I owe a debt of gratitude to several influential figures who have played pivotal roles in shaping my journey as a helper. Jean-Luc Stapelberg, Baldur Kranz, Grant Higgs, and John Garlic have been invaluable mentors, guiding me both mentally and physically to become a competent national helper. Their unwavering support and teachings have been priceless, and I hold dear the lessons they have imparted.

I am deeply honored and humbled to have been invited to officiate as a helper at the highly anticipated national IGP event this year. This opportunity fills me with immense pride, and I am committed to contributing my utmost to the event's success. As I prepare to take on this significant role, I extend my heartfelt best wishes to all the participating teams.

May your dedication, hard work, and passion illuminate the competition, and I wish you all the best of luck. Let's come together to make this event a memorable celebration of our shared love for dogs and the sport of IGP.
