# PRAETOR ROTTWEILER CLUB OF TSHWANE

Affiliated to KUSA

P O Box 73969, Lynnwood Ridge

0040

The Praetor Rottweiler Club of Tshwane is the youngest of seven Rottweiler Clubs affiliated to the Kennel Union of Southern Africa. Our club was established in December 2010 and affiliated to KUSA in May 2011. The club was founded by passionate owners, breeders, judges and learner judges of this magnificent breed. With clearly set goals, passionate hard work and a firm belief in our mission, our club has grown into one of the strongest Rottweiler Clubs in South Africa. Curro College, Hazeldean, Silverlakes is our home ground for training and shows.

Our mutual respect, love and passion for the Rottweiler breed bind us together; where the dog is always the number one priority in all our actions. We offer puppy socialising, domestic obedience, agility, tracking and ring craft as different disciplines of training. Our aim is to help the public and owners to understand their dogs better and to have a well disciplined confident member of the family. A trained Rottweiler is a pleasure and a wonderful companion.

We are also involved in the National Rottweiler Rescue Scheme which assists in re-homing Rottweilers to suitable homes. Our website offers opportunities to breeder members for promoting their registered litters.

## Chairperson's message

It is a pleasure for me and the committee of the Praetor Rottweiler club to welcome you all at the annual specialist Breed Championship show. It is exciting to see everybody again at the show and to unite around the ring with our beautiful Rottweiler breed. We would like to thank all exhibitors, guests and friends for your support.

We are honored to have Mr Neil Perkins as our judge. His impressive CV speaks for itself. We trust you will enjoy the show. Your expertise and knowledge regarding our beloved breed are highly valued and respected.

A huge thank you to our main sponsor: Nutribyte for sponsoring the food, the exquisite trophies and the beautiful rosettes our other sponsors: Rand en Dal Vet, Vriesit, Rogz, Kyron and many more. We want to say a very special word of thanks to Club members that have sponsored huge items for the show, Without your loyal support this show will not be the same.

To Nikki, our Ring steward, thanks for your time and effort. To Curro College Hazeldean, Mr Pierre le Roux, the Executive Head, and the management of the School, thank you very much for the use of your grounds, what a privilege. To my committee, each of you have worked very hard and contributed to the smooth running of the show, a huge word of thanks and gratitude to all of you. Your dedication and loyalty make this club what it is, a huge success!

A very special word of thanks must go to Johann for the compiling of the catalogue, Lida for many nights of late work and Ben for the printing.

Enjoy the show, travel safely and remember you always go home with the best dog.

Kind regards

Letsie Fischer  
Chairperson  
Praetor Rottweiler Club of Tshwane

We provide a fully comprehensive veterinary service for cats and dogs and also treat exotic animals, including examinations, in house laboratory assays, consultations, vaccinations, general surgery, orthopaedic surgery, spinal surgery, dental procedures, radiology and ultrasound.

We have a high quality x-ray machine that produces high resolution radiographs ultrafast. We also do submission of hip and elbow x-rays for certification purposes, as well as early screening in working and breeding dogs.

On request, you may receive a copy of the radiographs on a CD.

We also specialise in reproductive work including artificial insemination, partus observation and timed caesareans. AI services include oestrus monitoring, semen evaluation and AI with fresh, chilled or frozen semen.

Dr De Cramer's book is available in store or can be posted.

## BENEFITS

### HIGH QUALITY PROTEIN SOURCES

Proteins and amino acids are the building blocks for a healthy body. Proteins build and repair muscle tissue and hair.

### HIGH QUALITY CARBOHYDRATE SOURCES

Energy is fuel which enables the body to function. Needed for growth, reproduction, lactation and other bodily functions.

### HIGH QUALITY FAT SOURCES

Source of energy including Omega 6 & 3 fatty acids for a healthy skin and coat.

### BALANCED VITAMINS & MINERALS

Needed for key metabolic functions, enzymes, optimal nerve function and electrolytic balance.
