WELCOME

On behalf of the Field Trial Committee of the Gauteng Golden Retriever Club, I have the pleasure of extending a very warm welcome to everyone attending the 2023 field trials.

Special thanks go to Hugo and Rosa Meyer, who once again have allowed the Club the use of their beautiful farm and campsite. Please help us to look after the farm, don't leave any refuse behind and keep your dogs under control at all times, including when we are outside of the campsite grounds due to the game on the farm.

The Golden retrievers shone again at the Champs last year with Terry Watson's Kester (Roodehek Orions Longbow of Lymond GMHR) coming second and winning the best golden of the weekend.

This trial would not be possible without the assistance and support from our sponsors. A special thanks go to Lionel's Choice for providing our winners with dog food and to Rio Largo Olive Estate. Thank you to Michele Emin for allowing the Filed Trial Manager and throwers to help us over the weekend.

Thank you to the sub-committee without whom this trial would not be possible. A special thanks to Claire-Louise Anderson for running around for us helping to make this trial a success, and to Chris Begbie for travelling to Natal to collect our birds.

On behalf of the sub-committee, we wish each of you a very successful weekend, please enjoy yourselves and have fun with your dogs and friends.

Regards

Brenda Meyer

General information

The Gauteng Golden Retriever Club accepts no responsibility for loss, damage or injury to any person or property, however occasioned.

The use of the venue has been granted on the premise that it will be left in the same clean and tidy condition in which it is found.

All dogs must be under control throughout the trials. If any dog causes annoyance or disrupts the trial, the Field Trial committee may, at its discretion, request the owner/ handler of the dog to remove it from the trial and the venue immediately.

Smoking during the trials is strictly prohibited, except where and when permitted by the Field Trial Manager.

Spectators are requested to remain in the area as indicated by the Field Trial Manager and not to wander, as this could be dangerous, as well as spoil the ground to be worked by the dogs.

Spectators are requested to be quiet while a dog is working. Noise can distract both dog and handler.

All persons attending the trials are requested to conform to the above and to ensure that their children do so as well.

PLEASE DO NOT LITTER

Rubbish bags are provided in camp and on the game vehicle.

LIMITATION OF LIABILITY:

Due to the nature of this sport, competitors, spectators, and officials are invited to enter the venue at their own risk and, in so doing, absolve Kennel Union of Southern Africa, The Gauteng Golden Retriever Club and Landowners from any claim whatsoever, arising from loss or damage to any person, animal or property.

Notice To Competitors

All competitors are expected to report to the Field Trial Manager 30 minutes before the start of the Trial to collect their numbers.

At the start of each stake, the senior judge shall call all competitors, whereupon a roll call will be held. Any dog not reporting to the line within 15 minutes of being called, shall be disqualified from the Stake and will not be entitled to any further participation in that stake.

Only members of the Kennel Union of Southern Africa (KUSA) shall be entitled to enter dogs in their registered ownership in any Championship Dog Show as well as Open Stake licensed by KUSA.

It will be the practice at these Trials, to summon competitors at the beginning of each retrieve to describe the nature of the work to be done. Handlers must ensure that they are present at these briefings.

These trials are held under Schedule 5C(1) Rules and Regulations of the Kennel Union of Southern Africa.

Training of dogs on the venue is not permitted, except where designated by the Field Trial Manager.

All dogs not participating in a particular retrieve, shall be kept on a lead whilst retrieves are in progress. Any dog which is not in the line and which disturbs the work of other dogs, is liable for disqualification.

The Judges' decision is final.

Anyone openly impinging the decision of a judge or judges shall render himself/herself liable to be reported to KUSA under the provisions of KUSA Sch.1, unless he is availing himself of Section A.10.3 of Schedule 5C(1).

Awards & Prizes

Floating trophies, prizes and certificates will be awarded.

A Visitor's Guide To Field Trials

Retriever field trials simulate, under competition, conditions which are similar to those encountered in a natural shooting situation. All too often, birds are shot where no working dogs are present. This results in unnecessary suffering and waste. The reason for training Retrievers is to persuade those people who shoot and hunt, that the only way to hunt is with a trained gundog. To give you a feel of what the judges are looking for, here is a guide to assist you.

Because birds are often hunted in line, it is essential that dogs walk steadily to heel off lead. They must not whine nor retrieve before being sent by the handler as this could interfere with the work of another dog.

Good marking of the position of the fall is essential in a Retriever, as he should not disturb ground unnecessarily. Judges should give full credit to a dog which goes straight to the fall, picks up and returns the game directly to hand, at a good pace.

The bird must be held firmly but gently by the dog, until it is commanded to release to hand. There must be no evidence of chewing or hardmouth.

On a marked retrieve, that is a retrieve where the dog has seen the fall, the dog should not require handling, the more the dog is handled, the lower the points.

On a blind retrieve, where only the handler is given a general idea as to the position of the game, the dog which takes the line offered and requires the least handling, will be awarded the highest marks.

Most important - dogs which show game finding ability and use their noses effectively, should be placed above those which require handling or happen to stumble upon the game.

ELIMINATING FAULTS: Hardmouth, breaking before commanded to retrieve, whining or barking continuously, out of control, chasing other game, failure to enter water or tough cover and blinking game.

MAJOR FAULTS: Failure to find game, unsteadiness at heel, disturbing ground not related to the fall, poor control.

GOOD POINTS: Natural game finding ability, use of nose, good marking of the fall, quick pick-up and return, good control, keenness and attentiveness.

Definition of Stakes

Junior Stake is for Retrievers from six months and not exceeding eighteen months of age dating from and including the date of its birth on the first day of the trial.

Maiden Stake is for Retrievers which have not been placed in a Novice or Open Stake nor have won two Maiden Stakes, prior to the date of the closing of entries for that particular Maiden Stake.

Novice Stake is for Retrievers which have not been placed first, second, third or fourth in an Open Stake nor Champion Stake, or have won two Novice Stakes, prior to the date of the closing of entries for that particular Novice Stake.

Open Stake is for Retrievers without restriction as to age or previous performance. In order for an Open Stake to carry championship status, the minimum number of dogs taking part in the trial shall be eight.

Rules for the Trials

These trials will be conducted under the Rules and Regulations of Schedule 5C(1) of the KUSA Constitution. A copy of these rules will be available at the trials.

Please note:

- (a) Bitches in season are forbidden within the precincts of the Field Trials
- (b) Castrated dogs and spayed bitches are eligible for entry.
- (c) Conditions attracting immediate disqualification are set out in Reg. 31 of Sch. 3 Kennel Union Regulations for Championship Shows (Breed), subject to (a) and (b) above.
- (d) Only those dogs that are participating in the Field Trials are allowed at the venue.
- (e) The system of judging will be entirely at the discretion of the Judges in accordance with KUSA Rules and the Field Trial Regulations.
