Although every care has been taken in compiling this catalogue it is possible that errors may have occurred. Please report any errors in your entries to the Secretary immediately. The Committee of the Highveld Belgian Shepherd Dog Club does not hold itself responsible for any mistakes in the submission of entry forms – this is the sole responsibility of the exhibitor. The Highveld Belgian Shepherd Dog Club and/or its Committee also do not accept any liability for damages incurred at the show however caused.

CHAIRMAN'S WELCOME

Dear Exhibitor, Member, Friend, Guest and Enthusiast

Welcome to the twenty ninth annual Championship Show of the Highveld Belgian Shepherd Dog Club. I hope that you will enjoy the day with us and catch up with old friends, meet new friends and make any potential enthusiasts and owners of a Belgian Shepherd feel welcome.

I would like to start by extending my profound gratitude to several sponsors of this year's show. We have been truly blessed with the enthusiasm and generosity of so many people and organisations this year that we have been able to make it just a little special for our exhibitors. First and foremost, I want to thank Montego Pet Nutrition for once again sponsoring the food prizes. Montego have been a firm supporter of the Club and our shows for many years. They have been extremely supportive and generous and I urge everyone to swing past their stand and speak to their representatives and in turn show your support by purchasing some of their superior products that they have on display. Welcome to the show team Montego and thank you for taking time away from your own interests and family to be here with us today.

Our other big sponsor and also a long standing supporter of the Club is Dicktator Engineering. My appreciation to Lisa Prestwood for securing this sponsorship for us. Thank you very much Lisa and also to Chris for your continued support and interest in both our Club and the Breed. I cannot express how much I value your generosity. Please take a look at the lovely rosettes that our winners will receive today. These have been sponsored by Dicktator and are absolutely lovely.

Another of our sponsors for this year is Quattro K9 all the way down in the Eastern Cape. They have sponsored the trophies for the Malinois' today and also contributed hugely toward the goodies bags that have been given to our exhibitors. My sincere thanks goes out to Linda Esterhuysen, Sam Angell and the members of Quattro K9 for their contribution. We hope you have you join us here at a show again in the not too distant future.

Malonowa Kennels has generously sponsored the lovely number pins today. Thank you Adri van Staden. Your kindness and support are beyond anyone's expectation and we are fortunate to have members like yourself that are so passionate about not only the Breed, but also so loyal to the Club. You are an inspiration to many of us.

Another Breeder that has graciously sponsored trophies is Michelle Myles. Michelle is sponsoring the trophies for the Laekenois' today and I'd like to thank her for her sponsorship and her kindness. It's persons like you that make it all worth hosting these events.

There are several other persons who have provided sponsorship to the Club which has enabled us to host a fantastic show today. Angelique Minnaar, Robyn Harflett, Greg van Zyl and especially Nicci Hall who is in the United Kingdom, thank you to each and every one of you for your kindness and thoughtfulness. I feel extremely privileged to be able to serve on the Committee of a Club where there are so many persons who have such a keen interest and such generosity. Without people like yourselves, I have no doubt that the Club would not be in a position to host its Shows and certainly not capable of providing the prizes and gifts that are offered to our exhibitors. Once again than you to all of you.

With that being said may I extend a heartfelt welcome to our esteemed judge Ms Djaki Kern. Thank you for taking time from your schedule to join us here today and to grace us with your presence and knowledge of our beloved Breed. We look forward to hearing your critique and value your input. I hope that it will be a memorable day, not only for our exhibitors, but for you too. Let's all welcome Djaki and show her Belgian Shepherd spirit and friendliness.

Welcome back to our Ring Steward, Ms Giselle Brits. As many of you may know. Giselle is a long standing supporter of the Club and has honoured us on several occasions as both the Ring Steward and as the judge at our shows. Thank you Giselle for your enthusiasm, professionalism and friendliness both inside and outside the ring. I trust that you will spend a very relaxing and enjoyable day with us here today.

I would like to encourage everyone to please support our initiatives that we have going today such as our raffle and our auction. We really will appreciate your support in this regard.

Speaking of support, while you're here and enjoying yourself, why not become a member or renew your existing membership of the Club. We would love to have you join us and it helps grow the Club. The more support we have, the more we can share events with each other and remember the Club can only exist if we have members. We have several membership types available and our prices are very affordable

Lastly, but certainly not least is the Highveld Belgian Shepherd Dog Club Committee. Thank you to all of you for always making a success of our events. It is only because of you that I succeed as the Chairman of the Club. I know that I can always rely on you and that you will always have my back. I am only the reflection of what you are. Thank you for all your efforts and hard work to ensure that today will be an exciting, fun-filled and successful day.

I hope that everyone is as excited and looking forward to today's proceedings as much as me. Good luck to all our exhibitors and I wish you all a happy and successful show and I hope to see you all back here again next year.

All the best and take care.

Keith Duranty

Chairman - Highveld Belgian Shepherd Dog Club.

ABOUT OUR JUDGE

I have always been passionate about animals and grew up in a house full of cats and dogs, including a registered but very feisty Pomeranian. After high school, I gained my National Diploma in Nature Conservation and worked in this field for a few years but missed owning pets as most of the reserves I worked in would not allow them.

Prior to starting down my path with purebred dogs, I used to breed and exhibit Persian cats. I also owned and exhibited a Russian and several domestics. Apart from the cats, I have been owned by German Shepherds, a Rottweiler, Siberians as well as several mixed breeds. My heart's desire was to own a 'police dog' and I begged for years until my parents gave in. I got my first registered dog, a German Shepherd in 1988 and trained her using books before getting involved with a local obedience school.

In 2000 I purchased my first KUSA registered Siberian Husky and got introduced to the world of Dog shows. Dealing with a crazy Siberian Husky also prompted me to gain some more insight into animal behaviour and I completed a course, Dog and Cat Behaviour presented by the late Prof Johannes Odendaal of Ethology Consultancy in 2000. My love for this crazy breed introduced me to so many people and new activities. I have been involved with the breed ever since and in 2012 became the Secretary for the Siberian Husky Club of Gauteng.

I imported a bitch from Canada in 2013 from my dear friend, Cindy Foggitt and only started breeding in 2015 under the prefix Wolverineen (Co-owned with Cindy at the time). I registered my current prefix, Maianni in 2018. I have owned and shown several Siberians to their Championship and many other wins. I have also shown various breeds, including Cocker Spaniels, Irish Setters, a Welsh Pembroke Corgi and a German Shepherd.

Apart from showing, I also do some dryland sledding with my dogs for fun. It is very rewarding to watch them run their hearts out and fulfilling their original function!

I started with my judging career in 2014 with the Working Group and am slowly building up my portfolio. I thoroughly enjoy judging and the joy of finding and watching some beautiful breeds never grow old! I am currently qualified to judge the Working and Herding Groups at Level and the Gundog Group at Level 3.

ORDER OF JUDGING

GROENENDAEL BREED CLASSES	APPROX 09H00
LAKEENOS BREED CLASSES	APPROX 09H30
MALINOIS BREED CLASSES	APPROX 10H00
TERVUEREN BREED CLASSES	APPROX 10H30
CHALLENGES / BEST HEAD	APPROX 11H00

Please note that these are approximate times only – it is the exhibitor's responsibility to ensure that he/she is ready to enter the ring when called.

NOTES FOR THE SHOW

Working Dog Class – As our breed is a working breed it is important to have a class that allows those dogs that have achieved working qualifications to be shown in a class of their own.

We will be allowed to attract the dogs attention from the outside of the ring (double handling). In order to get the dog to look its best it is preferable that the dog looks at someone in the distance rather than up at its handler standing next to him.

There are two specific times when outside attraction could be useful:

Firstly when the individual dog is standing and being evaluated by the Judge (Not when it is moving round the ring)
And secondly when all the dogs have been judged individually and are being judged for placing in their classes.

As the dogs are normally fond of their owners it may be better to have a second person handling the dog in the ring whilst its owner is on the outside of the ring attracting its attention.

Often a dog will look into the distance when he cannot see his owner and hiding behind an object or another person can have the same (or better) effect as calling the dog. Do not call the dog excessively if you notice that he is getting agitated.

Attraction from outside the ring may be in the form of calling the dogs name or whistling (noises such as gunshots, whip cracks, etc will not be allowed). Please have consideration for your other exhibitors and their dogs.
