A NOTE FROM THE NATIONAL IGP COMMITTEE

Dear Participants, Sponsors, Supporters and IGP enthusiasts

Welcome to the 2023 KUSA FCI Meisterschaft held in Gauteng. We appreciate the efforts that many of you have made to compete this weekend, travelling from all over the country.

We are honoured and privileged to welcome Igor Lengvarsky (Slovakia) as our International Judge and Jan Sedlák (Czech Republic) as our International Helper. Both are highly experienced as judge, helper, and competitors in their own right. We wish them an enjoyable stay here in South Africa.

We thank the Gauteng Clubs, especially Rotek GSD Club, who are hosting this year's Meisterschaft for their special efforts in raising the necessary funds, organizing the venues and the running of the event. We trust that the competitors and spectators will find the arena, tracking grounds and other arrangements to be of an exceptional standard.

A special thank you to all of the sponsors and contributors, without your generous contributions, this event would not be possible.

This year's event promises to once again be very exciting, and we wish all competitors the very best of luck and trust that they will be justly awarded for the dedication and commitment they put into this sport.

We wish you all, competitors, officials and spectators, an exciting and enjoyable sporting weekend.

John Swartz
IGP SA Convener

TO EVERY PARTICIPANT

Rotek wishes you all the best of luck during this trial.

All your hard work was worth it.

Unfortunately, there is only space for one winner, but, if within our power, every dog would get the first prize because every owner has the best dog in their eyes.

Remember, even if your dog does not do well on the day. You are always their number one no matter what.

As an organizer, I participated in organizing the World Championships here in Slovakia. In 1997 the FCI World Championship in Nitra and in 2007 the WUSV World Championship in Bratislava.

In 2002, 2008 and 2018, I was the main organizer of the FCI IGP-FH World Championships in my hometown of Vranov and Topľou.

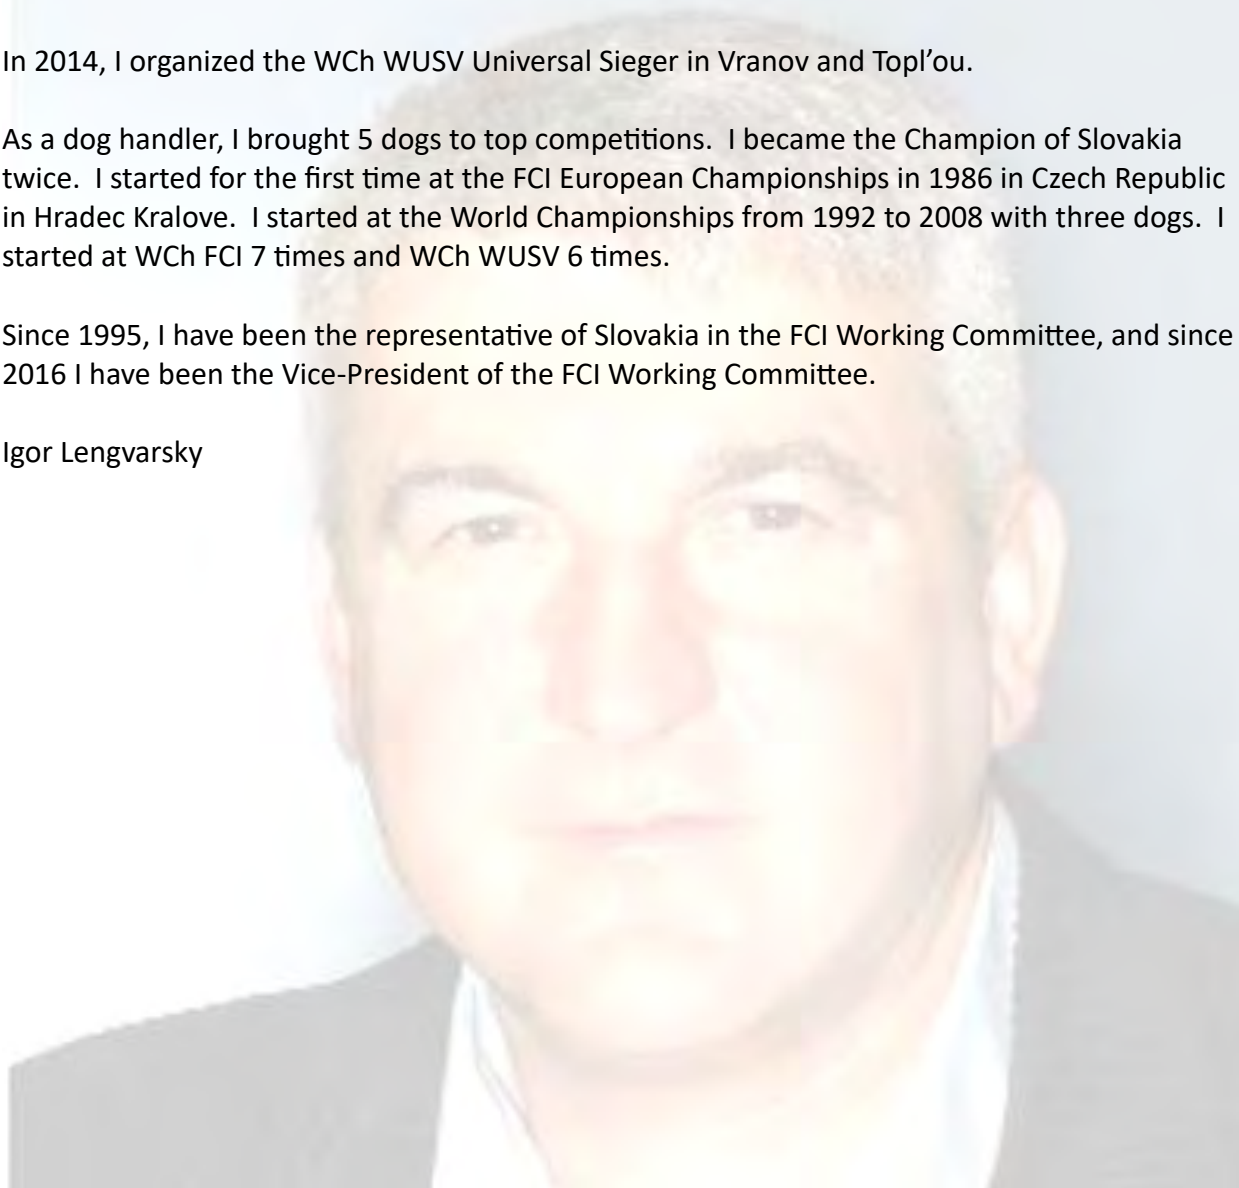

In 2010, I founded a new pan-European program of tracking competitions ECh IPO FH, which I also organized this year in Slovenske Nove Mesto.

In 2014, I organized the WCh WUSV Universal Sieger in Vranov and Topľou.

As a dog handler, I brought 5 dogs to top competitions. I became the Champion of Slovakia twice. I started for the first time at the FCI European Championships in 1986 in Czech Republic in Hradec Kralove. I started at the World Championships from 1992 to 2008 with three dogs. I started at WCh FCI 7 times and WCh WUSV 6 times.

MEET OUR INTERNATIONAL HELPER

JAN SEDLÁK

My name is Jan Sedlák, I am 21 years old, and I am an international helper.

I have been practising cynology since I was 15 years old. I started to do helper work at the age of 17, when my friends Václav Ouška and Jany Böhm helped me the most.

At the age of 20, I did the international helper's exam. My biggest competition so far was the Belgian Shepherd Republic Championship in Finland.

The biggest competitions are still waiting for me 😁 I'm looking forward to seeing you soon.

Jan

MEET OUR LOCAL HELPER

DARREN CUPIDO

My love and passion for dogs long pre-dates the beginning of my involvement with IGP. However, my career began in 2011 which developed from being a junior handler in the GSD breed rings to officially becoming a KUSA IGP helper in 2017.

I was the under-study to Ryan Leech (2014-2016) at Belville GSD, Jean-Luc Stapelberg (2017-2020) at Matrix GSD and further trained under Hans Bodenmeier of the RSV200 (2019). Over the years I have officiated numerous club trials as Helper, locally and abroad.

During my time as a Matrix club helper, I have attended various seminars facilitated by international competitors, helpers, and judges. These include Joeri Veth, Nick Vannerom, Aleksey Sokolov, Hans Bodenmeier, Andreas Lysandrou, Frans Jansen, and Dirk Edler. These seminars exposed me to the competitive and technical standards on an international level.

I am current training 2 very promising German shepherd dogs of my own and am aspiring to be on the field as a competitor in the near future.

I would like to send out a special word of thanks to all the people who have influenced my career as a trainer and as a helper in the IGP sport. I would further like to thank the planning committee for entrusting me as one of this year's Meisterschaft Helpers' – it is an honour.

To all the participating teams - I wish you the best of luck.

MEET OUR LOCAL HELPER

YUSRI DAMON

My journey in the world of dogs commenced at a young age, where I eagerly engaged in Canine Aptitude tests and specialized rottweiler breed shows, honing my skills as a handler. Being an active member of the esteemed Cape Rottweiler Club, I currently hold a position on the committee and proudly serve as the KUSA helper. Back in 2018, I took a significant step by joining GSD Matrix WC as a learner helper, benefiting immensely from the expert guidance of Jean-Luc Stapelberg, who mentored and trained me.

In 2020, I achieved official qualification as a KUSA helper, embarking on a journey that saw me actively participating in numerous trials.

Among my recent proudest achievements is being the helper at the prestigious Meisterschaft in both 2021 and 2022, where I collaborated with Pawel Krawczyk as the international helper and Dirk Edler as the judge, in Durban. These experiences have significantly enriched my skills and expertise.

I owe a debt of gratitude to several influential figures who have shaped my journey as a helper. Jean-Luc Stapelberg, Baldur Kranz, Grant Higgo, and John Garlic have been instrumental in my preparation for the 2023 Meisterschaft, guiding me both mentally and physically to become a competent national helper. Their unwavering support and teachings have been invaluable, and I cherish the lessons they imparted to me.

In addition to my journey thus far, I am deeply honored and humbled to have been asked to officiate as a helper at the highly anticipated IGP national event this year. It is an opportunity that fills me with immense pride, and I am committed to contributing my best to the success of the event. As I prepare to take on this important role, I want to extend my heartfelt best wishes to all the participating teams. May your dedication, hard work, and passion shine through, and I wish you all the best of luck in this IGP competition. Let us make this event a memorable celebration of our shared love for dogs and the sport of IGP.
