## **FOR SAFETY'S SAKE:**

**GUNS ARE TO BE BROKEN WHEN NEGOTIATING FENCES AND LOADED AWAY FROM SPECTATORS.**

## **GENERAL INFORMATION**

The first pair of dogs must be presented to the judges at **14h00** or **07h30 SHARP** on the day of the event and the second pair must be kept within reasonable distance of outgoing handlers. Any dogs not ready to compete within 15 minutes of being called in for their turn, will be liable for disqualification and forfeiture of entry fees.

The system of judging will be entirely at the discretion of the judges in accordance with the Field Trial Rules and Regulations for Continental/HPR Breeds as set out in the rules and regulations of the National Field Trial Association and KUSA.

The judges concentrate on finding the performers best equipped to perpetuate the qualities of a high class gun dog - having nose, bird sense, intelligence, style and accuracy of location, with finding ability; steadiness to flush and shot and with the ability to acknowledge its opponents' finds; and quick and expeditious retrieves of shot game delivered tenderly to hand.

Members are requested to introduce their friends and all spectators must submit to the orders of the officials and keep at least forty meters to the rear of the judges.

Under no pretext are dogs allowed to run loose over the grounds prior to the trials. The owner of any dog so found will be liable to have his dog disqualified and his entry fee forfeited.

All complaints made constitutionally will receive due consideration.

**NOTE:**

1. Bitches in season are forbidden within the precincts of the trial.
2. Castrated, cryptorchid and monorchid dogs and spayed bitches are eligible for entry but may not be placed.

**THE DECISION OF THE JUDGES WILL BE FINAL IN ALL EVENTS**

**HANDLERS: Please remember that all competing dogs must be handled by their owner unless previously sanctioned by the committee.**

**BAD LANGUAGE AND/OR OFFENSIVE BEHAVIOUR WILL NOT BE TOLERATED AND OFFENDERS MAY BE ASKED TO LEAVE THE VENUE.**

**ADVISORY/PROTEST PANEL**

Should the need arise, the Field Trial Steward or the Field Trial Manager will convene a panel consisting of three committee members who are also qualified judges to assist Trial Judges with any decision or to handle any protest. A deposit of R400.00 is required.

## **MORE ABOUT THE HPR CLUB**

THE HPR CLUB WAS STARTED IN 1985 A GROUP OF ENTHUSIASTS WISHING TO DEVELOP AND IMPROVE THE NATURAL ABILITIES OF THE BREEDS WHICH HUNT, POINT AND RETRIEVE.

THE CLUB IS ESSENTIALLY FOR WORKING DOGS AND HOLDS FIELD TRIALS AND WORKING TESTS WHICH ASSESS THE DOGS' PERFORMANCE UNDER ACTUAL HUNTING CONDITIONS.

IT IS OUR AIM TO PRODUCE THE PERFECT HUNTING COMPANION AND IN THIS WAY IMPROVE RESPONSIBLE HUNTING AND CONSERVATION. A TRAINED HPR DOG AND HANDLER ARE ESSENTIAL TOWARDS QUALITY BIRD HUNTING AND ARE A JOY TO BEHOLD.

**THE DUAL PURPOSE DOG**

These versatile breeds include:

The German Shorthaired Pointer, Weimaraner, Vizsla, German Wirehaired Pointer, Brittany Spaniel, Griffon, Pudelpointer, Spinoni, German Longhaired Pointer and the Munsterlander Pointer.

A trained dual purpose dog is one of truly versatile qualities. He is expected to eagerly search and find game in the field and hold it to a staunch point prior to flush, he is to remain steady to wing and to shot. Then he is to retrieve on command and is to deliver the game to hand.

In addition he must be quiet in a duck blind and retrieve in water. All this takes time and training to produce, but it can be a rewarding experience for both dog and handler.

**THE HUNTER**

In the interests of responsible hunting, the HPR club offers the services of trained dogs and handlers to bird hunters. If you would like to make use of these services, please contact the Club secretary.

## **TRAINING SESSIONS**

In the weeks preceding the hunting season the HPR Club holds a series of training sessions for handlers and their dogs. These classes are run at both basic and advanced levels and cover all aspects of field work. Experienced trainers are on hand to identify problem areas and suggest appropriate remedies. All this is done in a fine outdoor spirit.

## **FIELD TRIALS**

Members can compete in the dual purpose field trials hosted by the HPR Club. These trials are so designed as to be as near as practically possible to real hunting conditions. It is the ultimate means of testing a hunting dog's performance against that of other outstanding dogs and should be the supreme goal of every gundog owner. It is a matter of putting your dog where your mouth is. In this environment the best hunting dogs can be selected towards the improvement of the breed.

The HPR field trials make use of wild birds in their natural environment and are consequently held only during the hunting season: One at the beginning of the hunting season and the other at the end. At this latter trial the selections for competition in the World Championships is made.

## **NATURAL ABILITY TEST**

The HPR Club will provide a Certificate to each hunting dog that pass a test on basic ability and hunting instincts. Such a certificate will not only serve as proof for the owner of his dog's working abilities and thus improve its value, but will at the same time provide information to prospective buyers and breeders. This will lead to the improvement of the breed and prospective buyers and breeders will no longer have to rely on the unsubstantiated claims of sometimes unscrupulous owners.

It is a known fact that there are many gundogs which are gundogs in name only due to generations of breeding for show qualities only. Many a prospective gundog owner have fallen into the trap of buying a gundog without any of the basic hunting instincts. Thus, only those hunting dogs with a Natural Ability Certificate will be considered by the HPR Club for recommendation or breeding. This will serve as an incentive for every gundog owner to have your dog's abilities officially recognized. A must for every serious gundog owner.

## **MEMBERSHIP**

Our members come from all walks of life and have in common their love for dogs, hunting, conservation and the outdoor life. Being a small club we all know each other by name although sometimes the dog is remembered before its owner!

Membership fees are ridiculously low and make provision for individual members, family members and country members outside the Gauteng area. For this you get a member's handbook, several newsletters, details of litters, hunts, trials and shows, some useful contacts and access to a wealth of experience.

If after reading all this you are still not sure about joining us - consider you dog and contact the secretary.

Members are requested to introduce friends and all spectators must submit to the orders of the officials and keep at least forty meters to the rear of the judges.

Under no pretext are dogs allowed to run loose over the grounds prior to the trials. The owner of the dog so found will be liable to have his dog disqualified and his entry fee forfeited.

All complaints made constitutionally will receive due consideration.

## THE TVL HPR FIELD TRIAL CLUB'S SEPTEMBER 2020 TRIAL

An epic trial. Not only did the Club made history by having the first field trial during lock-down but also proved that it can be done during the summer heat. At times it was 40 degrees and the dogs showed no slowing down. In fact they seemed to thoroughly enjoy it provided we gave them a water trough to jump in from time to time. Even seasoned hunters was surprised by the dog's hunting drive. Scenting conditions were sometimes bad especially during the Derby and Maiden trials when the weather build up with the resulting drop in barometer pressure. Despite the drought, the birds were plentiful. Derby/Maiden: Swainson's Francolin 63 plus 16 Crested Partridge. Open Stake: Swainson's Francolin 79 plus 20 Crested Partridge. Cover was a bit thin in some areas, making especially the Crested Partridge skittish which caused the downfall of many a young (and not so young) dog. Significant for our sport is that no less than five newcomers competed for the first time, one of which even won the Maiden Stake. Some competitors came as far as Port Elizabeth. Thanks to everybody that competed and helped with the organizing to make the field a great success.
