CHAIRMAN'S WELCOME

Welcome to Everyone to the Highveld Belgian Shepherds 2xth Championship show being held today.

It's been great seeing things normalise after such a long absence resulting from the COVID-19 pandemic. Unfortunately, there has been a steep decline in the number of entries in shows and trials, not only in the HBSDC events but all dog related events. That being said, we have a really good number of entries today and for that I'd like to thank you all for entering the show.

I expect that you will all share a fabulous day with us here today and that each one goes home feeling like a winner, whether you walk away with a prize or not.

Our judge today, as you know, is our very own Mr Roy Clark and I'd like to take the opportunity to thank Roy for taking the time to be here and to judge our show as I have no doubt that he would have loved to participate himself. This makes the judging really special today as not only is he a member of our Club, he is also a Belgian Shepherd Specialist judge.

I would also like to thank a familiar face at our shows now, our Ring Steward Ms Giselle Brits for once again agreeing to steward our show and taking the time to spend the day with us all. I appreciate your willingness to always officiate at our events Giselle and hope that you have a most enjoyable day with us.

Our sponsors for the show are again Montego who have been very loyal and generous to the Club in sponsoring our events for many years now. Thank you for your sponsorship and continuing our long association with each other. We hope that our association continues for many more years to come.

We have some very special rosettes for the winners this year, which have been sponsored by another long-time sponsor of our events, Dicktator Engineering. Thank you Mrs Lisa Prestwood for your dedication and commitment to the Club and for sponsoring such terrific rosettes, we know that we can always count on you.

We also have some fantastic trophies for the winners this year, which have been sponsored by one of our long standing breeders and ambassadors to our Breed Malonowa Kennels. Thank you Mrs Adri Van Staden for your dedication and commitment to the Club and for sponsoring such terrific trophies, we know that we can always count on you.

To the HBSDC Committee, thank you to you all for coming together as usual and organising the event and ensuring that it all runs smoothly. In particular, I'd like to thank our Show Secretary, Mrs Robyn Harflett, who despite having other events running over the last few weekends still managed to take in all our entries and sort out the catalogue for the show.

I appeal to everyone to renew their memberships with the Club as this ensures that we can hold these events. Please complete a membership form which is available on our website www.highveldbelgianshepherd.co.za under the membership section. I'm hoping to make the membership application and renewal digital in the next few months which will simplify matters significantly.

I hope that you have a most enjoyable and successful day today

Best Regards

Keith

ABOUT OUR JUDGE ROY CLARK

My background in dogs started with Belgians, and I am happy to still be involved with them. Having decided we wanted a dog I got to choose which dog and knowing nothing I scoured books on dogs and the Belgians caught my eye the first time I saw photos of them. I liked the look of the Tervueren, mistakenly labelled a Malinois, so I started looking for one; slowly I got in touch with people with Belgies and went to a couple of shows, and six months later got the only puppy I could find who was a Groenendael. Shaka grew into a big, confident male who became a breed champion and took part in obedience, agility, tracking, and man work at which he excelled.

Via the people I met I was asked to join the Belgian Shepherd Dog of the Transvaal, later changed to Highveld Belgian Shepherd Dog Club, and seconded as a committee member with the responsibility for trophies, which expanded into involvement with all activities and a few years later I was elected Chairman which office I held for a long time. The Club started holding shows, doing formal training and other activities. As Chair when Provincial Councils were created I represented the Club on DOGS PC, and then later on Northern Areas PC. This got me more involved with KUSA and I got pulled into some of its activities such as where I represented KUSA in dealings with the Veterinary Council, SPCA, and Johannesburg City Council when they redid all their dog control laws.

After many years of showing I was encouraged to look at judging and got an appointment at an open show which I thoroughly enjoyed so enrolled on the programme 15 or more years ago.

Naturally the Herding Group was my first group and I slowly qualified in other groups so can now award CC's in five groups am busy qualifying in the last two, and can judge Championship Best in Shows for All Breeds shows. I have had the privilege and pleasure of judging in Gauteng, Free State, Durban Port Elizabeth and Cape Town at both all breeds and specialist breed club shows.

I want to thank the HBSDC Committee for asking me to judge this year's championship show. I am really looking forward to it and hope all the exhibitors will enjoy the show and share my enthusiasm for Belgies.

ORDER OF JUDGING

GROENENDAEL BREED CLASSES	APPROX 09H00
LAEKENOIS BREED CLASSES	APPROX 09H30
MALINOIS BREED CLASSES	APPROX 10H00
TERVUEREN BREED CLASSES	APPROX 10H30
CHALLENGES / BEST HEAD	APPROX 11H00

Please note that these are approximate times only – it is the exhibitor's responsibility to ensure that he/she is ready to enter the ring when called.

NOTES FOR THE SHOW

Working Dog Class – As our breed is a working breed it is important to have a class that allows those dogs that have achieved working qualifications to be shown in a class of their own.

A Best Head award will be made as the head is very important in Belgian Shepherds. The Judge will select dogs to go forward while she is doing the class judging.

We will be allowed to attract the dogs attention from the outside of the ring (double handling). In order to get the dog to look its best it is preferable that the dog looks at someone in the distance rather than up at its handler standing next to him.

There are two specific times when outside attraction could be useful:

Firstly when the individual dog is standing and being evaluated by the Judge (Not when it is moving round the ring)
And secondly when all the dogs have been judged individually and are being judged for placing in their classes.

As the dogs are normally fond of their owners it may be better to have a second person handling the dog in the ring whilst its owner is on the outside of the ring attracting its attention.

Often a dog will look into the distance when he cannot see his owner and hiding behind an object or another person can have the same (or better) effect as calling the dog. Do not call the dog excessively if you notice that he is getting agitated.

Attraction from outside the ring may be in the form of calling the dogs name or whistling (noises such as gunshots, whip cracks, etc will not be allowed). Please have consideration for your other exhibitors and their dogs.
