Judge: Mr. Johann Fischer

Mr. Johann Fischer was born on 2nd October 1962 in Sweizer Reneke, North West Province.

Mr. Fischer is an Electronic Engineer, Specialising in Microwave Systems "Radar Counter measures".

He currently runs his own company, designing and building Non-Destructive Rope Testing machines for the mining industry as well as writing Software for my own equipment and for clients.

Mr. Fischer has been involved with Rottweilers since 1988 when he and his wife, Letsie, bought their first Rottweiler.

They began their successful breeding kennel, Boschkop, in 1991.

Their aim has always been to breed sound Rottweilers that are within the breed standard, with special emphasis on temperament, health, form and function.

Their number one priority and responsibility towards the puppies that they breed is to find the best, loving homes where they will be a part of the family.

Mr. Fischer remarks that the things he likes most about the Rottweiler breed is that the Rottweiler is an all-in-one companion and protector and a well-bred Rottweiler can think for itself.

Mr. Fischer qualified as a level 4 judge Working Judge in October 2017, judging the TKC Championship Show and thus far has only judged in South Africa but we were extremely pleased to hear that Mr. Fischer will be judging in Melbourne, Australia in May 2023.

The highlights of the Fischer's breeding and showing career are the 2 bitches and a male that they imported from Europe, with their genetics continuing to live on in their offspring in the further generations of dogs that they have bred. They are also extremely proud of the 7 National Grand Victor (ZA Sieger) titles that they have won over the years.
