Chairman's Report

CHAIRMAN'S ANNUAL REPORT

Presented at Fedco 12-2025 on Saturday, 6 December 2025

Mrs Jenny Hubbard

It is both an honour and privilege to present my Chairman's Report for the year 2025. This past year presented us with daunting challenges, but also surprised us with heartening progress, driven by resilience and innovation within our organisation, culminating in a renewed sense of purpose. To avoid a lengthy and repetitive narrative, I shall focus on some general highlights, while expressing my appreciation to all who had served KUSA so selflessly.

For a comprehensive overview of the Federal Council's activities and achievements, I urge members to consult the detailed minutes which follow each Fedco meeting, Fedco 12-2025 being no exception. These minutes offer valuable insights complementing any Annual Report and give a better understanding of the laudable initiatives undertaken by KUSA, sanctioned and supported by its Federal Council.

Despite a dynamic and sometimes uncertain economic climate, KUSA achieved small but steady growth in its core activities by the end of the current financial year. We continue to operate well within our budget, ensuring financial sustainability. KUSA remains in a stable financial position, with provident reserves in hand.

We continue to strengthen our governance framework, ensuring transparency and compliance with all statutory requirements. Regular Federal Council and Executive Committee meetings and reviews, and stakeholder consultations, have enhanced KUSA's decision-making and accountability.

Our success is rooted in the dedication of our KUSA staff, the volunteers within our organisation, and our partners. Having said that, and whilst we have much to celebrate, there are challenges around our reliance on volunteers with limited availability for certain projects, rising operational costs, and the ongoing need to improve channels of communication with our members and the public at large.

2025 saw the establishment of two important structures: i) The KUSA Branding and Marketing Task Team, which will be working in close collaboration with the KUSA Office to build a new website; ii) The KUSA Human Capital and Talent Committee, appointed to deal with employment and staffing matters and the review and update of policies and protocols related to employment and staffing.

The Judges' Education Council has been very active this year, laying the foundation for the launch of the much-anticipated revamped KUSA Breed Judges' Learning Programme in 2026.

The Breed Standards Committee continues its vigilance over the Breed Standards under the *KUSA Protocol for Adopting Breed Standards*. The Committee has recently taken major strides towards KUSA's gradual, but steady, shift to FCI Breed Standard compliance.

KUSA Classic Flagship Shows and Events:

The KUSA Classic Breed and Dogsport Shows and Events were successfully held in 2025, organised and hosted by the Western Cape Provincial Council (WCPC). The Shows, Events and Nationals were well supported by KUSA Members. The Breed Event offered five International Judges over the traditional weekend at the end of May in Cape Town, whereas some of the other Dogsport National Events were hosted by other provinces; all doing a sterling job.

The KUSA Classic Dogsport weekend, hosted by the WCPC, included the Nationals and Championship Show for various Dogsport Events in the latter part of the year, when the notorious Cape weather was deemed more clement for Dogsport activities.

Chairman's Report

As 2025 draws to a close, I wish to extend my sincere thanks, appreciation and commendation to:

- *The members of KUSA for their ongoing support of KUSA. Without our members' support, KUSA would not be the strong and viable organisation that it has become.*
 - *The Executive Committee, under that chairmanship of Cllr Michael Alberts. Fedco joins me in thanking all the members of Exco for giving up their time to ensure the good governance and effective oversight over KUSA's day-to-day administrative affairs.*
 - *Cllr Michael Alberts, in his personal capacity, who has generously committed his IT expertise to KUSA in assisting the General Manager to expedite the completion of the K9 Admin System Upgrade Project.*
 - *The Executives of the various Provincial Councils, and their representatives, for their sterling efforts in all matters relating to the functions of Provincial Councils.*
 - *The Breed and Liaison Councils, the National Sub-Committees, Affiliated Clubs, and the various Ad hoc Sub-Committees for their services to KUSA and for their work to promote, preserve, and protect our dogs, dogdom and Dogsport.*
 - *Newly affiliated Clubs, bidding them a warm welcome to the KUSA family and with a fervent wish for every success in their future endeavours.*
 - *The sponsors who have so generously supported the KUSA Clubs and their Shows over the years. Without their assistance and generosity, our Shows would not be the success that they are, and I sincerely hope that the Clubs will continue to make every effort to showcase their sponsors' products and branding.*
 - *The Judges' Education Council, under the able leadership of Cllr Michael Vorster, for its ongoing commitment to the education and guidance of KUSA Judges.*
 - *The KUSA staff, ably led by Pascale Midgley, for their continued dedication to ensure an efficient and effective service by the KUSA Office to members and the public.*
 - *The KUSA Legal Adviser, Brig Gen (retd.) NJ du Preez, who has, for many years, freely offered his vast knowledge and legal expertise to KUSA pro bono.*
 - *The KUSA President, Mrs Doreen Powell, for her continued support and promotion of KUSA and her dedication to KUSA's causes and interests.*
- The FCI and its Executive Director, Mr Yves De Clercq, for their continued indulgence of KUSA during a protracted transitional phase towards full FCI compliance.*
- The National Department of Agriculture (NDA) and its Director: Animal Production, Mr Joel Mamabolo, and the staff in the NDA dealing with Import Permits, for their unwavering confidence in, and support of, KUSA, as the collaboration between the NDA and KUSA progressively strengthens to give effect to the provisions of the Animal Improvement Act.*

The coming year we shall endeavour to focus on expanding our digital capabilities, diversifying revenue streams, and intensifying member engagement. For our loyal and trusted members of staff, we are committed to investing in development programmes and promoting continuous learning, while continuing to foster a culture of collaboration and inclusivity. This is all in the interest of securing a stronger, brighter and sustainable future for KUSA.

I thank my colleagues on the Federal Council for all the assistance and support I have received over the past year. I'm gratified and privileged to be able to work with a team of highly motivated, informed and proactive Councillors – people who work together to put the regulatory and governance structures in place that KUSA so heavily relies on. While certain challenges remain, I'm fully confident of our ability to adapt and prosper.

In closing, I wish the KUSA membership, officials and staff, their loved ones and, of course, their precious animals, a joyous Festive Season. May 2026 bring us all good health, prosperity and an abundance of opportunities. Above all, may the New Year bestow on all of us who participate in KUSA's activities, kindness towards each other and tolerance for our diversities.

Keep safe and secure and let's relish our common interest – the dogs that lend so much purpose and meaning to our lives.

KUSA CLASSIC

Cape Town 2025

AGILITY—KATH WHITE (EP)

Kath hails from St Francis Bay. In 2014, her daughter Kirstin introduced their family to Agility. Kath quickly became hooked, an Agility mom who drove to training and shows nearly every weekend. Naturally, the enthusiasm spread, leading her to get a dog to join in the excitement, and soon her other daughter Tamryn came along. Becoming a judge felt like a natural step to support the sport she cherished. One of Kath's most memorable moments as a judge was officiating at the SA champs in 2019. She will always treasure the special Agility memories of attending the Junior European Open in Luxembourg with Kirstin in 2017 and the AWC in Belgium with Tamryn in 2024.

DOG JUMPING—MIKE TAYLOR (WC)

Mike has been engaged in dog sport since the early 2000s. His passion for dog sports includes Dog Jumping, Agility, Man Work, Obedience, and Tracking. The family found Agility particularly appealing, leading them to get involved in the sport. He began his Agility journey in 2002 with his GSD, Frasier. Currently, he owns two Belgian Malinois, as he is drawn to the breed's strong work ethic. In 2009, Mike became a Judge for Agility and Dog Jumping and judged the KUSA SAAC in 2015 and 2025. He takes pleasure in designing courses that incorporate various elements to challenge both the handler and the dog. He enjoys a combination of speed and technical challenges on the courses. Additionally, he appreciates witnessing the harmony and joy between a handler and their dog.

FLYBALL—VANESSA DE VILLIERS (WC)

Vanessa is recognized for her fairness, keen observation, and her ability to encourage participants, ensuring that races are conducted with both integrity and enjoyment. She became involved in Flyball around 8 years ago and has remained committed to the sport ever since, alongside my Golden Retriever, Pablo, who has proudly earned the title of Flyball Champion. Together, they have participated in various events and celebrated numerous successes with her Flyball family. Vanessa became a qualified Flyball judge in 2020/2021, and in 2025, she will take on the exciting role of judging at the KUSA Nationals. A true Golden Retriever enthusiast, she has a lifelong passion for dogs. Outside of the Flyball arena, she works as an assistant for a branding company in Bellville, and prior to that, she devoted her time to caring for children.

OBEDIENCE—CLAIRE PATTERSON-ABROLAT (GAUT)

Claire resides in Johannesburg, Gauteng. She is passionate about giving back to the dog community and is a qualified judge in Obedience, Working Trials (Classic), Tracking Trials, Rally Dog, Agility, Working Utility Dog, Hoopers, Trick Dog and CGC. Having started in Breed, it didn't take long for her to discover her true passion for working dogs and dog sports. By 1985, she welcomed her first Border Collie into her life and has never looked back since. One of her cherished memories is earning QCs with Lacey at all three Obedience shows during the KUSA Classic weekend in 2018. Claire has made up four Tracker Dog Champions, a WUD Champion, two Flyball Grand Champions and one Flyball Champion. Her dogs have earned 14 National Champion titles. Internationally, her dogs have earned Grand Champion titles in Trick Dog, Stunt Dog and Rally FrEe and numerous other Champion titles.

RALLY DOG—HELEN RAMSAY (GAUT)

Helen comes from Johannesburg, Gauteng, but her roots are in the beautiful Namaqualand. Her journey into dog training began when her family purchased a home in Risidale (Johannesburg), conveniently located right across from a park. This park was the venue for Jolly Dog training school, where they spent many Saturday afternoons for years. Taking their family dog, a keeshond, to training felt like a natural progression. Her judging career began with Obedience, quickly followed by CGC evaluations. Helen's drive to start Rally Dog in Gauteng (which was already making waves in Cape Town) sparked after she handled her son's blind Shetland sheepdog in a Rally competition in London, witnessing how accessible the discipline was for many. She then expanded her judging repertoire to include Rally Dog, Trick Dog evaluations, and Working trials (Classic). With Working Trials, she also embraced Tracking Trials and Working Utility Dog judging.

CARTING—ELEANOR GOW (KZN)

Eleanor is from Durban, KZN. She has been judging Carting for 26 years and Rally Dog for the past 5 years. Additionally, she has had the privilege of overseeing CGC for the last 13 years. Carting has been her passion in Dogsport, and she competed for 24 years with her cherished Bullmastiffs, turning all of them into Champions and Grand Champions, and receiving Provincial colours for Carting as well as Breed Champions. Eleanor has also carted a Labrador, a Staffie, and a Papillon, all of which have achieved the same accolades as her Bullmastiffs. She has enjoyed success at KUSA Nationals over the years with her last three dogs. Lastly, she is proud to own a Golden Retriever who has introduced her to various fields, being successful in Breed, Obedience (reaching C Test), Tracking, Companion Dog, and Dog Dancing. In 2020, Eleanor was among the first judges to qualify as a Rally Dog judge in Cape Town. Eleanor now dedicates her time to training people and their dogs for the aforementioned dog sports. At home, she cares for two beloved rescue dogs: an abused Border Collie (age unknown) and a White Shepherd who is 12 years old and has been with her for the past 7 months.

FCI-IGP—ALBERT SPREU (DEU)

Albert was born in Germany. He has been handling dogs since 2005 and is a qualified Protector, Helper, and Special Leader Training etc. He is also a Specialist Breed Judge for GSDs. He has handled seven dogs which have achieved titles such as RSVSchHIII, RSV-FH1, IPG3, AD, Körung 1 and 2.

TRACKING TRIALS—RITA COOK (GAUT)

Rita started training dogs when she moved to South Africa in 1975. Her first dog was a Keeshond. After that Rita worked Staffordshire Bull Terriers, Australian Shepherds, Papillons and Border Collies. Over the years she has made up several Champions in Obedience and Working Trials (Classic) and has also earned qualifications in IGP, WUD, TT. Rita judges Obedience, TT, Working Trials (Classic) and WUD but has retired from Agility, Dog Jumping and CGC.

Rita is well known for her Staffy Rhubarb the Dunlop Staffordshire Bull Terrier – he was also well known at the Rand Show where he entertained the crowds and even got a standing ovation from the then Prime Minister, P W Botha when he competed against a Great Dane at the last Rand Show held at Wits.

WORKING TRIALS (CLASSIC)—TRINA RICHARDSON (GAU)

Trina has been training and competing for many years, most famously known for Alaska, a Golden Retriever that excelled in the Police Dog stake and Blue, a Border Collie that went on to become a Grand Champion in Working Trials—meaning that he held Grand Champion titles in both Police Dog and Tracker Dog. Blue won both stakes on the same day at the 2017 KUSA Nationals.

As a judge, Trina enjoys setting practical tests using a wide range of articles for the searches and sendaway exercises that really test a dogs versatility.

Trina is a qualified Judge for Working Trials (Classic), Tracking Trials and Working Utility Dog.

WORKING UTILITY DOG—MICHELLE PIETERSMA (WC)

Michelle comes from Gauteng but semi grated to the Western Cape. Her love for working trials started when her son got his 1st dog Gem and he did working trials with her. Michelle was the taxi driver, then when Bryan went to Varsity and could not commit to the sport any longer Michelle took over her training and started trials with her. I have been very lucky to have some of the best people in working trials mentor me and guide me on my journey. I was thrown into the deep end by stewarding and track laying at competitions. Then I started taking the exams to become a judge for working trials. Having enjoyed working trials for so many years and been lucky enough to make 3 dogs up as tracking Champions.

DOG DANCING—SUE WOODIWISS (GAUT)

Sue resides in Randburg, Gauteng. She has been training and competing with her dogs for 40 years. She has owned GSD's, Border Collies, Pyrenean Sheepdogs and Shetland Sheepdogs and has made 3 Tracking dog champions and 2 Police Dog champions in Working Trials [classic], 3 Obedience champions, a Dog Jumping champion, a Dog Dancing champion and a Trick dog champion. Her latest venture is Scent Detection where she is having a lot of fun training her 2 current working dogs – a Border Collie and a Sheltie. She judges Working Trials, Rally, Dog Dancing and is an evaluator for CGC and Trick Dog. She particularly enjoys judging dog dancing where the handlers show creativity, skill and partnership when presenting their routines.

National Flyball Record 2025

National Flyball Record

A new South African Flyball record was set on Sunday 14 September 2025 at the Birch Acres Non-championship show. The team's time beat the previous record by 0.01 seconds, setting the new South African Record at 16.52 seconds.

The team, Flying Fires, consisted of Shannen Jacoby with Rapid, Brigitte Rheeder with Dream, Jacques van Vuuren with Amaze, and Sonelle van Wyk with Ace. The same four dogs set the previous record of 16.53 in February this year.

The team also credits their quick-handed box-loader, Karin Roos, and the Club, Birch Acres, and they also extend their thanks to the Judge Monika Mohr.
